

THE HIGHEST AWARD—That *Puttner's Emulsion* stands today higher and far ahead of any other compound of the kind, and is acknowledged by the profession to be the most reliable in the treatment of *Wasting, Scrophulous, and Children's Diseases*, and diseases of the Nervous System, where the brain is overworked, and the general system run down for the want of *Phosphorus*, which is the only *Nerve Tonic*.

Jan. 19. 6m.

It is said ease of mind assists longevity. A man who carries a policy of life insurance in such a Company as the UNION MUTUAL certainly should have ease of mind, and therefore this must help to prolong his life. And should the "brittle thread" be broken, he has secured something for his dear ones. F. B. K. MARTER, Manager, office Queen's Building, Hollis Street.

THE BLOOD AND NERVE TISSUES

owe their healthy existence to PHOSPHORUS and become disorganized when it is lessened in quantity. It is as necessary to the proper preservation of the functions of life as Electricity is to the Telegraph. The use of Phosphorus, combined with Cod Liver Oil, Lime, Soda &c., in *Puttner's Emulsion*, by providing, in a palatable and perfectly digestible form, all the elements necessary to the healthy growth and vitality of the body, prevents and rapidly cures all diseases which are due to its being present in less quantity than nature demands. Hence its inestimable value in Brain diseases, Nervous debility, Wasting and other Lung troubles which, beginning in loss of flesh and vitality, with COUGHS, COLDS and BRONCHITIS, end in that fell destroyer of the human race—CONSUMPTION.

GIVE HEED TO A COUGH—If we except those tremendous epidemics which sometimes often half depopulate the regions of country where they prevail, no diseases are so destructive as those which affect the breathing organs. Unfortunately also, there are few maladies which at the outset are so frequently disregarded as trival. No warning is discernible with graver meaning than this—Give heed to a cough! To neglect it, is simple madness. So rapidly does lung irritation spread and deepen that often in a few short weeks a simply cough culminates in tubercular consumption, that terrible enemy to human life.

The best pulmonary remedy which medical science has developed, and which seems peculiarly adapted to the suppression of a cough or cold, Asthma, Spitting of blood, Bronchitis, or other throat or lung complaint, is Northrop & Lyman's emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda. Experience has shown that the oil obtained from the Cod's liver exercises a powerful control over pulmonary diseases. In the above preparation, not only is this main ingredient specially pure, but its efficacy is greatly increased by addition to it of these hypophosphites which are among the most powerful invigorating and blood fertilizers known to *MATERIA MEDICA*. While the lungs are soothed and healed by the Cod Liver Oil, the rapid physical decay attending lung diseases is stayed and the system built up and fortified by the hypophosphites. Ample evidence proves this. Ask for Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda.

I cheerfully recommend it as an excellent family medicine.

AS A BLOOD PURIFIER It will be found to exceed the many medicines now offered, as it supplies the

BLOOD WITH IRON, which is a constant and necessary constituent of the body, and must be regarded as an important FOOD, and so highly and justly recommended by the Faculty in the treatment of PALE, WEAK AND ANEMIC WOMEN AND CHILDREN.

The Trade says: H. A. Taylor, Esq., President N. S. Pharmaceutical Society, says: Taking all in all, I sell more of your Emulsion than all others combined, and have heard very favorable reports of benefits of its use. CONSUMPTION IS CURABLE BY THE USE OF

GATES' LIFE OF MAN BITTERS AND Invigorating Syrup.

Messrs. C. Gates, Son & Co.: This is to certify that I have been troubled for four years with a bad cough, costiveness, and a great deal of the time unable to work by coughing and raising. Consulted several doctors and they pronounced me in the last stage of consumption, having pain and soreness of the lungs. I have tried several doctors, but with no success until I fell in with a friend, who advised me to try your medicine. After I had taken a few bottles of your

No. 1 Bitters and No. 2 Syrup, my cough stopped, appetite returned, bowels became regular, and now I feel quite well, and would recommend it to every person suffering, as I feel that it is by your medicine and the blessing of God that I am now alive. Respectfully yours, P. B. DAWSON. Sworn to before me at Acadia Mines this 7th day of July, 1879. J. M. CAMPBELL, J. P. Sold everywhere. March 21—dw
