

Much serious sickness and suffering might be prevented by promptly correcting those slight derangements that, otherwise, often develop into settled disease.

THE HIGHEST AWARD.—That Puttner's Emulsion stands to-day higher and far ahead of any other compound of the kind, and is acknowledged by the profession to be the most reliable in the treatment of Wasting, Scrofulous, and Children's Diseases, and diseases of the Nervous System, where the brain is overworked, and the general system run down for the want of Phosphorus, which is the only Nerve Tonic.

RACKED BY INNUMERABLE PAINS, restless by day, sleepless at night, rising unrefreshed in the morning, without appetite, and pestered by varying and perplexing symptoms, the dyspeptic takes indeed a gloomy view of human existence. For him the zest of life seems gone. Heartburn, oppression at the pit of the stomach, and the attendant annoyances of constipation and biliousness, combine to render him utterly wretched.

STAMMERING CERTIFICATE.

WE THE UNDERSIGNED, residents of North Sydney and vicinity in Cape Breton, having known Miss Lawlor when afflicted with, and often times pained to witness her struggling with the impediment of stammering, have now much pleasure in testifying through this medium, that she has been relieved of the above referred to difficulty. She can now give utterance to her ideas with a freedom of speech at once free, deliberate, and apparently without effort. We learn from her that she attended, last December, the Stammering Institute at Halifax, in charge of MR. R. B. MACKINTOSH, he having been empowered to use the method first known to, and practiced by Professor Sutherland of London, Ontario. We heartily recommend those similarly affected as Miss Lawlor, to avail themselves of the privilege of attending an institution calculated to render such valuable aid to both old and young. MECHANICAL ORGUINETTE.

AN AUTOMATIC REED ORGAN.

"THE ORGUINETTE may now be called a celebrated instrument. In tone it is akin to the Cabinet Organ, but the organ must be manipulated by an artist in order to produce music; the ORGUINETTE is on the other hand entirely mechanical in its action, and at trifling expense it can be made to furnish an unlimited supply of all kinds of music. TORONTO GLOBE." "THE ORGUINETTE is indeed a musical wonder. It is a miniature reed organ with as strong and melodious a tone as a Cabinet Size. It surpasses the Cabinet Organ for the reason that the ignoramus in music can play it as well as the most accomplished professor. THE ORGUINETTE is strong and accurate in its mechanism and consequently not liable to get out of order." MONTREAL GAZETTE. "THE ORGUINETTE is the most perfect automatic musical instrument yet invented; its repertoire is unlimited, the tone is remarkably good." MONTREAL STAR.

VICTORIOUS RESULTS PUTTNER'S EMULSION.

IT VIGORATES THE GENERAL HEALTH. From the Rev. Ralph Brecken, Pastor Brunswick Wesleyan Church, Halifax— C. E. PUTTNER, Ph. M. DEAR SIR.—Having been induced to try your Emulsion Cod Liver Oil, as a remedy for Influenza, with Cough, Cold, &c., I have much pleasure in testifying to its beneficial results as compared with any remedy ever previously used. Unlike most Cough remedies, it neither nauseates nor weakens, but pleasantly invigorates the general health. AS A TONIC FOR CONVALESCENTS, recovering from Diphtheria, Fever, and all exhausting diseases where the whole system is run down and requires building up, great benefit will be found by the use of

PUTTNER'S EMULSION AS A FAMILY MEDICINE.

Mr. Theakston, Secretary Y. M. C. A. says: MR. C. E. PUTTNER, Ph. M. DEAR SIR.—I have used your Emulsion in my family for the simple cough, as well as for the more obstinate kind, also for general debility. In every case it has given the utmost satisfaction. I cheerfully recommend it as an excellent family medicine.

AS A BLOOD PURIFIER

It will be found to exceed the many medicines now offered, as it supplies the BLOOD WITH IRON, which is a constant and necessary constituent of the body, and must be regarded as an important FOOD, and so highly and justly recommended by the Faculty in the treatment of PALE, WEAK and ANEMIC WOMEN AND CHILDREN.

The Trade says:

H. A. Taylor, Esq., President N. S. Pharmaceutical Society, says: Taking all in all, I sell more of your Emulsion than all others combined, and have heard very favorable reports of benefits of its use.
