

For colds, coughs, asthma, in short for any and all derangements of the lungs or respiratory organs, or for any complaint tending towards consumption, nothing is so reliable as Ayer's Cherry Pectoral.

THE HIGHEST AWARD - That Putner's Emulsion stands today higher and far ahead of any other compound of the kind, and is acknowledged by the profession to be the most reliable in the treatment of Wasting, Scrofulous, and Children's Diseases, and diseases of the Nervous System, where the brain is overworked, and the general system run down for the want of Phosphorus, which is the only Nerve Tonic.

Jan. 19. 6m.

Deaths.

On Wednesday, 16th inst. Elizabeth, relict of the late John Dunbar, in the 88th year of her age, leaving a large circle of friends and acquaintances to mourn their loss.

At Ottawa, on the 16th inst. George Heber Connell, M. P., aged 48.

At Poor's Asylum, Feb. 16, 1881, Patrick Haley, aged 40 years.

Feb. 16, 1881, Barbara Ford, aged 34 years.

On Tuesday, the 15th, at Dartmouth, Harriet, beloved wife of Rev. J. H. Chase, of Onslow, and eldest daughter of Charles Robson.

At Chicopee, Mass., U. S. A., Feb. 24, John T. Langill, aged 30 years, leaving a wife and two children.

At Bloomington, Nictaux, January 25, Sister Mary Elizabeth Huffmen, wife of Brother Silas Huffmen, aged 43 years.

Sister Huffmen professed faith in Christ a number of years ago, and united with the church. She maintained her profession of faith during the years she belonged to the church. On visiting her, I found her trusting in the atonement of Christ. May God comfort the mourning husband, children, and relatives. - W. J. BLAKENEY.

At Bloomington, Nictaux, on 11th inst. William E. Allen. He entertained a hope in Christ.

At Nictaux, at the residence of her son-in-law, William Maries, Feb. 2nd, Sister Susan McGrigor, in the 90th year of her age. Sister McGrigor experienced religion eighty-two years ago; professed faith in Christ about fifty-two years ago, and was at that time baptized by Rev. E. Masters. All who knew Sister McGrigor during her membership knew her to be a meek and humble follower of Christ. It was my privilege to visit her frequently during her last illness, and I found her firm on the Rock. Her views of the doctrines of grace were clear. She left nine children, thirty-three grand children, and twenty great grand children. She requested the writer to preach her funeral sermon, which he did from 2 Timothy, vii. 8, "I have fought the good fight," &c. May God keep and bless her children who were so attentive and kind to their aged and godly mother. - W. J. BLAKENEY.

At Jeddore, Nov. 2nd, of diphtheria, Amanda Harpell, daughter of Luke and Annie Harpell, aged 16 years. She was a member of the Sabbath School. Being somewhat reserved and thoughtful she did not make a public profession of religion, but some seven months before her death she arose in a prayer meeting and told as she loved Jesus. For sixteen days she was a severe sufferer, but was sustained by divine grace. She said she was not afraid to die, Jesus had saved her and redeemed her. All through her sickness she was calm, never murmured or complained. When her young companions would meet at the window and sing, the hymns she loved to hear, she seemed to take up the chorus with them. She longed to be with Christ, which is far better.

EAGAR'S PHOSPHOLEINE; OR, Cod Liver Oil Cream with Hypophosphites

FOR THE CURE OF Consumption, Paralysis, Bronchitis, Asthma, Dyspepsia, Scrofula, Salt Rheum, and other Skin and Blood Diseases, Rickets, Anemia, Loss of Flesh, Wasting, both in Adults and Child, Nervous Prostration.

Invaluable as a Tonic to brace up the system when it is in that state known as BELOW PAR, brought on by Mental Anxiety, Over Brain Work, Overnursing of Mothers, and other Excesses which, if not relieved, end in DIPHTHERIA, LOW FORM OF FEVER, CONSUMPTION, &c.

PERFECT PLEASANT PURE COMBINATION, TO THE TASTE, INGREDIENTS.

Many persons who have not used Eggar's Cream confound it with the many Emulsions which are so freely offered for sale. To such Mr. Eggar begs to say that EAGAR'S CREAM is ENTIRELY DIFFERENT FROM ANY PREPARATION on the market, and unlike the ordinary combinations of Cod Liver Oil, it produces NO ERUCTION nor sense of nausea after taking; in fact, Patients find it so pleasant and effective that they like the taste and look for it even after they are well.

As a proof of its being different from other preparations, it has EFFECTED CURES AFTER OTHERS HAVE FAILED. For one of the many such cures see certificate of Mr. Archibald below.

In order to avoid having this Cream classed with Emulsions, Mr. Eggar will in future call this Cream PHOSPHOLEINE. Below are the names of LEADING MEN IN THE PROFESSION who have tried Eggar's Cream; and if you are not satisfied that it is the BEST MEDICINE IN USE for Wasting Diseases go and ask any one of them.

Hos. W. S. ALMON, M. D., Senator. W. B. SLAYTER, M. D., F. O. S. L., L. R. C. P., Eng., Consult. Phy. Prov. and City Hospital, Lecturer on Diseases of Women and Children, Halifax Medical College.

R. S. BLACK, M. D., 49 Granville Street. ARCHD. LAWSON, M. D., Prof. Surg. Halifax Medical College. T. R. ALMON, M. D., Phys. and Surg. to Poor's Asylum; Phys. to Infants' Home.

ARTHUR MOREN, M. D., M. R. C. S., Edin.; City Medical Officer, Surg. Police and City Prison; Phys. Deaf and Dumb Institution; Licen. Med. Fac., Edin. W. N. WICKWIRE, M. D., Inspecting Physician Port of Halifax.

R. ADLINGTON, M. D., Edinburgh, M. R. C. Surg., Eng., Mem. Col. Phy. and Surg., Ontario, etc. E. A. TEFPTS, M. D., Toronto Health Institute. C. O'REILLY, M. D., C. M., General Superintendent Toronto General Hospital.

The following certificates are from gentlemen who have learned the exact state of their cases from the physicians who attended them during their illness, and know beyond a doubt that they were cured by the joint efforts of a carefully directed dietary treatment, and Eggar's Cream as medicine—their certificates are therefore valuable.

Attention is particularly called to the case of Mr. Harrington. His physician says that the case was an UNMISTAKEABLE CASE OF TUBERCULOUS DEGENERATION OF THE LUNG OR INCIPENT CONSUMPTION, and that his is one of the FEW CASES THAT HAS EVER BEEN CURED.

In Mr. Dimock's case the physician who attended says the patient was very delicate; the certificate is bona fide. Read the certificates and letters of Dr. E. A. Tefpts, of the Medical Therapeutic Institute, of Toronto, and both the statements contained therein and the quantity used will prove conclusively the value of Eggar's Cream, or Phospholeine.

Read the certificate of Dr. O'Reilly, of that celebrated and extensive institution the TORONTO GENERAL HOSPITAL, where EAGAR'S CREAM was tested in wasting and other diseases during a period extending over five months, and after such evidence in its favor the most sceptical will be satisfied that EAGAR'S CREAM is superior to all others in the cases for which it is recommended.

ASHDALE, HANTS CO., Nov. 12th, 1880. MR. M. F. EAGAR, Halifax, N. S. DEAR SIR,—Last winter my son, aged six years, caught the whooping cough! The disease settled on his lungs, and for sometime we almost despaired of his life. Our doctor advised me to give him your Cod Liver Oil Cream with Hypophosphites, and under its use he completely recovered.

Yours truly, LEWIS DIMOCK. DEAR SIR,—Last summer I was troubled with a Cough, and my physician says, unmistakable symptoms of Consumption, including debility and loss of flesh. I lost 30 pounds in weight in a few weeks. My physician, who examined me, advised me to use your Cod Liver Oil Cream with Hypophosphites, and I am happy to be able to inform you that it has produced a complete cure, and I have regained from 124 to 154 pounds in weight, and am now enjoying good health. I drove 65 miles at night across Cape Breton during a snow storm in December without suffering from it in the least.

I am, dear sir, yours faithfully, E. R. HARRINGTON. HALIFAX, May 14th, 1880.

MRS. CHIPMAN, Willow Park, Halifax, begs to add her testimony in favor of Eggar's Cod Liver Oil Cream. "Having suffered from an affection of the lungs for several years past, together with most distressing attacks of Phthisis, and having tried almost every known remedy, many of which more or less relieved the cough and depression, was last autumn recommended to try Eggar's Cod Liver Oil Cream, which she did, with immediate and singular and beneficial results.

It reduced the cough, relieved the distress and depression, improved the appetite, and increased flesh and strength. Mrs. Chipman considers Eggar's Cod Liver Oil Cream an invaluable medicine, and would recommend all Persons suffering from weak lungs or Phthisis to try its use, for if it has the same effect upon others as it is having upon her, there is no estimate to its advantages upon the health and spirits of the patient.

M. F. EAGAR, Esq., Halifax. Cow Bay, Nov. 28th, 1880. DEAR SIR,—During the fall of 1876 I contracted a severe cold, which settled on my chest, causing inflammation of the lung. For the next two years I used many different preparations, including —'s Emulsion, —'s Emulsion, and also Churchill's Compound Syrup, from neither of which I derived any benefit. Meantime, hearing of your Cod Liver Oil Cream, to state that it has very materially benefited me, and would strongly recommend it to one and all who may be similarly afflicted, being convinced that the ingredients contained in your Cream are what is necessary for rebuilding of either weak or diseased lungs.

Yours, gratefully, ISAAC ARCHIBALD. MEDICAL ELECTRO-THERAPEUTIC INSTITUTE, (Cor. Jarvis and Gerrard Sts.,) Toronto, Ontario, October 7th, 1880.

MR. M. F. EAGAR, Halifax, N. S. DEAR SIR,—It is with pleasure that I can recommend your Cod Liver Oil Cream with Hypophosphites. In every case it has met my expectations, and is the best preparation of the kind that I have ever used; some of my patients come to like the taste, and none call it unpleasant, which is very greatly in its favor. Enclosed please find Post Office Order for \$36.65, to balance my account to date, and oblige me by sending another gross.

Yours very truly, (Signed) E. A. TEFPTS, M. D. HEALTH INSTITUTE, 272 Jarvis St., Toronto, 21st December, 1880.

MR. M. F. EAGAR, DEAR SIR,—Nearly out of your Cod Liver Cream. Please send another gross as soon as possible. E. A. TEFPTS, M. D. TORONTO GENERAL HOSPITAL, Established 1810. Incorporated by Act of Parliament.

MR. M. F. EAGAR, Esq., Halifax, N. S.: DEAR SIR,—I am very highly pleased with the action of your Cod Liver Oil Cream with Hypophosphites. It has been used in this Hospital in Pulmonary and other Wasting Diseases with success, and being so palatable, is a splendid substitute for the Crude Cod Liver Oil. Will you kindly let me know the lowest wholesale rate for a quantity for Hospital use? Yours truly, (Signed) C. O'REILLY, M. D., C. M., General Superintendent. Toronto, Nov. 30, 1880.

If you cannot procure Eggar's Cod Liver Oil Cream from the shops at which you deal, send to Mr. Eggar, 147 Hollis Street, Halifax, enclosing the price, and he will forward to your address. Mr. Eggar will send six bottles to any part of Nova Scotia, free of all Express Charges, on receipt of price. Don't allow dealers to induce you to take other preparations on which they may make a large profit, but insist on getting EAGAR'S PHOSPHOLEINE or CREAM.

Single Bottles, 75 cents; 60.00 per dozen. Discount from the above prices to the Trade. AGENTS WANTED IN EVERY TOWN AND VILLAGE. Jan. 19. 6m. 1 in. e. m.

BUDS & BLOSSOMS.

MISCELLANEOUS ARTICLES. SHORT SKETCHES. POETRY, etc., etc. Jan. 12.

Four times the effect of medicine. TESTIMONIAL. ACADIAN MINES, December 16, 1880.

TO HOLMAN PAD CO., 119 Hollis St., Halifax. GENTLEMEN, I suffered for many years from an impaired digestion, an evil which rendered me anything but an agreeable companion. At times, during an especially bad attack, the pain in the region of the heart would be terrific, causing me to become insensible in a moment. I tried many remedies, but without any permanent benefit; my last estate would be invariably worse than the first; until I concluded to try one of the Holman Liver Pads.

During the first two weeks of wearing it, I thought it was like the many other remedies I had tried, unable to reach my case, but then I gradually began to grow better; a fact I realized in being able to lie upon my left side for quite a long time without inconvenience. I continued wearing the Pad, night and day for nearly three months. I then felt so much better that I procured a second Pad, and wore it only in day time for two months longer; at the end of which time I ceased to be troubled with indigestion altogether, and spasms at region of heart are but of very rare occurrence, and these I have no doubt, will ultimately cease. Perhaps a little further information from you on this point would hasten this desirable end. Without troubling you with further details of my complaints and sufferings, I have only to add that I can confidently recommend the Holman Liver Pad and Remedies from personal experience of the benefits derived from their use. And I consider that I cannot overstate their value to those similarly afflicted as I have been.

Yours faithfully, C. C. FRESTON. Price of Pads, \$2.50; \$3.50, Absorption Plasters and Salt. Orders payable to J. G. BENNETT, Dec. 29.

ORGAN BEATTY PIANO. New Improved 52 Stages, 2nd and Golden Toneless Reeds, 15 Oct. 2. Knives, Walnut Case, warranted 10 years, Steel & Book \$100. New Pianos, Steel, Cover & Book, \$125 to \$200. GATES' CELEBRATED NERVE OINTMENT!

A Sure Relief for the Sufferer!

THIS efficacious and beautiful compound is particularly adapted for weakness of the Nerves and Muscles, restoring them to a healthy and vigorous action, thereby assisting the blood to perform the functions assigned to it. It is to those afflicted with nervous complaints, like cold water to a thirsty soul, reviving their spirits and renewing their strength.

IT CURES. Wounds, Piles, Sores, Pimples, Outc, Stings, Felons, Burns, Scalds, Bruises, Sties, Sprains, Boils, Chapped Hands,

And cutaneous eruptions of the skin generally. For Colds, Hoarseness, and Lung Diseases, is used internally as well as externally, letting a piece about the size of a bean dissolve in the mouth, and run down as often as necessary (on going to bed preferable). It thoroughly cleanses and removes all collections and
