

WINTRY BLASTS ARE SPECIALLY FRUITFUL of coughs and colds. Children who romp out of doors during the cold season are very subject to them, and no household where there are children should be unprovided with an effectual safeguard against lung disease. Such a one is Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda, a preparation in which the former ingredient possesses the utmost purity, and where its well-known pulmonary properties are increased by the admixture of the lime and soda salts. Of these the basis is phosphorus, an essential constituent of the brain, the muscles and the blood, and long recognized by physicians as a strengthening and fortifying agent of surpassing efficacy. The waste of bodily tissue consequent upon lung, chest, and throat complaints is promptly checked by this time-honored remedy, and the irritation of the breathing organs arrested and overcome by it. The article has been pronounced by physicians the best preparation of its class, and this professional verdict has found an echo in the grateful acknowledgements of many who, despairing of aid from any source, have nevertheless sought and found relief from it. Persons whose chest and lungs are weak should use it as a preventive. Asthma, coughs, colds, spitting of blood, bronchitis and laryngitis are promptly remedied by it, and it also possesses properties as a blood purifier very manifest in various types of scrofula. Prepared only by Northrop & Lyman, Toronto, Canada. Jan. 18. cov. 2m.

Whilst Mr. Newcomb was a friend to every benevolent enterprise he was peculiarly so to the Foreign Mission. In 1880, he sent, I think, \$55.00 to the Association, for this object. In the final arrangement of his business, he did not forget it. May we all followers of those who through faith and patience, inherit the promises.

The deceased was a seafarer, and was on his way homeward, when he was stricken down suddenly by typhoid fever in a foreign land. DROPSY CURED. BY GATES' Life of Man Bitters. AND Invigorating Syrup.

FALMOUTH, N. S., April 8th, 1882.

DR. GATES, My dear Sir—Since I feel entirely cured of all my complaints, by which I was brought down to the verge of the grave, and had nothing to look for or expect, but death at any hour, with the complaint of the Dropsy and other female weaknesses, I was swollen to an immense size. At this period I accidentally heard through a lady that you had cured her of a like complaint. My husband went with all speed possible to your residence at Wilnot, and procured some of your valuable medicine. I commenced forthwith the use of it, and in a few days an unaccountable size, with severe pains and soreness, but in three months I was able to attend to my household duties, for which change I feel devoutly thankful to God, and think it a duty I owe humanity, at once to say to all persons suffering as I did, to apply to Dr. Gates without delay. If the disease be curable, with the same medicine a cure may be confidently looked for.

I am, dear Sir, with respect, yours truly, MARY E. SKINNER.

Personally appeared before me, the subscriber, Mary E. Skinner, of the Township of Falmouth, and maketh oath that the contents of above certificate of the virtue of Dr. Gates' medicine is correct. ANDREW SHAW, J. P.

Mrs. Skinner still remains well, never having symptoms of the disease since, generally taking a few bottles in the spring of the year. I wish her blood pure.
