THE ELEMENTS OF BONE, BRAIN, AND  
MUSCLE are derived from the blood, which  
is the grand natural source of vital energy,  
the motor of the bodily organs. When  
the circulation becomes impoverished in  
consequence of weak digestion and imper-  
fect assimilation of the food, which  
should enrich it, every bodily function  
flags and the system grows feeble and  
disordered. When the blood becomes  
impure either from the development of  
inherited seeds of disease, its contami-  
nation by bile, or other causes, serious  
maladies surely follow. A highly ac-  
credited remedy for these evils is NORTHROP  
& LYMAN'S VEGETABLE DISCOVERY AND  
DYSPEPTIC CURE, which eradicates im-  
purities of the blood and fertilizes it by  
promoting digestion and assimilation.  
Moreover, this fine alterative and stom-  
achic exerts a specific action upon the  
liver, healthfully stimulating that organ  
to a performance of its secretory duty  
when inactive, and expelling bile from  
the blood. It likewise possesses diuretic  
and depurative properties of a high order,  
rendering the kidneys active and healthy,  
and expelling from the system the acrid  
elements which produce rheumatic  
pain. Price \$1.00. Sample Bottle, 10  
cents. Ask for NORTHROP & LYMAN'S  
Vegetable Discovery and Dyspeptic Cure.  
The wrapper bears a FAC-SIMILE of their  
signature. Sold by all medicine dealers.

This event has cast a shadow over the  
community, and much sympathy is felt  
for the bereaved ones. The funeral was  
largely attended, Rev. S. March preach-  
ing a sermon suitable to the occasion from  
1 Thess. iv. 18, several other clergymen  
being present and taking part in the ser-  
vice. Mrs. B. was an exemplary woman,  
much respected by those who knew her  
best, and, we believe, was a sincere,  
though very reserved Christian. We  
tender our deepest sympathy to the afflic-  
ted ones.

was a member of the Ohio Church. His  
last days were marked with peacefulness  
and strong assurance in the Divine mercy.  
He spoke much in his last sickness of  
God's wonderful goodness to him, and  
longed for the hour that would transmit  
his happy spirit to the house "not made  
with hands." "Blessed are the dead that  
die in the Lord," says the Spirit, "they  
rest from their labors and their works do  
follow them."—Conn. by Rev. J. Rowe.

WALLACE BRIDGE, Cumberland Co., 17th  
February, 1882.

GENTLEMEN,—I have much pleasure in  
informing you of the benefit I have re-  
ceived from wearing one of your Pads.  
I was induced by a friend, last December,  
to give one a trial. Since then my health  
has improved so much that I have gained  
twenty-two pounds in weight. Under  
these circumstances, I feel that I am  
obligated, not only to you but to every  
person suffering as I did before I com-  
menced to wear your Pad, to endeavor, as  
far as I possibly can, to help to place such  
a remedy within the reach of every suf-  
ferer.

Yours truly,

removed the difficulty I was laboring un-
