GIVE HEED TO A COUGH.-If we excepthose tremendous epidemics which somet times often half depopulate the regions of of the late Manning Morse, aged 75 years. country where they prevails, no diseases are so destructive as those which affect daughter of the late Dea. William Bishop, the breathing organs. Unfortunately also, there are few maladies which at the outset are so frequently disregarded as trivial. No warning is fraught with graver meaning than this—Give heed to a cough! To neglect it, is simple madness. So rapidly does lung irritation ness. So rapidly does lung irritation in a few it and affectionate wife and mother, ever solicitous for the temporal and spiration in a few it and mother it and spread and deepen that often in a few itual welfare of all around her. In life

lung complaint, is Northrop & Lyman's emulsion of Cod Liver Oil and Hyphosphites of Lime and Soda. Experience has shown that the oil obtained from the construction of the gospel of Christ comfort the bereaved friends.

"Lift not thou the wailing voice, Cod's liver exercises a powerful control over pulmonary diseases. In the above preparation, not only is this main ingredient specially pure, but its efficary is greatly increased by addition to it of these hypophosphites which are among the most powerful invigorating and blood fertilizers known to MATIRIA MEDICOE. Wnile the lungs are soothed and healed by the Cod Liver Oil, the rapid physical decay attending lung diseases is stayed and the system built up and fortified by the hypophosphites. Ample evidence proves this. Ask for Northrop V Ly-man's Emulsion of Cod Liver Oil and Hypopphosphites of Lime and Soda. Nov. 9.
