Brother Field was long a follow them." Brother Field was long a standard bearer in the cause of Christ. His daily life was a standing rebuke to sin his influence was for truth and righteousness his confidence in the Redeemer always steadfast, developed during several years of suffering into a well rounded faith. It was refreshing to listen to his low voiced testimony to the goodness of God and the preciousness of Jesus. Fully ripened for glory he has left us as quietly as the passing seasons. Mrs. Mary Nickerson, aged 70 years, widow of the late Thomas Nickerson, of Glenwood, Argyle, departed this life at Arcadia, Yarmouth Co., Aug. 16th, 1882. Deceased was a worthy member of the Baptist Church upwards of 35 years. She was an earnest laborer in the Master's vineyard, doing "What she could," for the advancement of His cause. She was beloved by a large circle of friends, who were well acquainted with her pleasing manner of looking upon the bright side of everything. It was no part of her religion to be despondent. During her last illness of about four months she manifested very strong faith in Jesus, and endured her extreme suffering with Christian patience. She frequently expressed her readiness at any time to go home, feeling assured that she would be forever with the Lord. Her last moments on earth were peaceful. A true mother in

earth were peaceful. A true mother in Israel has triumphantly passed away. Her mother Mrs. L. Churchill survives her, having passed her 94th birthday in the month of August of this year. Retaining her usual faculties, she yet enjoys much of the comfort of religion, and awaits the welcome of the righteous to the home of the saints across the river. the home of the saints across the river, "Where the wicked cease from troubling and the weary are at rest," where with loving friends and kindred, she will dwell among the blest.

Foo Choo's Balsam of Shark's Oil Positively Restores the Hearing, and is the only Absolute Cure for Deafness Known.

This OIL is abstracted from peculiar species of small WHITE SHARK, caught in the Yellow Sea, known as CARCHARO-DON GONDELETH. Every Chinese fisherman knows it. Its virtues as a restorabive of hearing were discovered by a Buddhist Priest about the year 1410. Its cures were so numerous and MANY So SEEMINGLY MIRACULOUS, that the remedy was officially proclaimed over the entire Empire. Its use became so universal that for OVER 300 YEARS NO DEAFNESS HAS EXISTED AMONG THE CHINESE PEOPLE. Sent charges prepaid, to any address at \$1.00 per bottle.

HEAR WHAT THE DEAF SAY! It has performed a miracle in my case. I have no unearthly noises in my head

and hear much better. I have been greatly benefited. My deafness nelped a great deal—think another bottle will cure me.
