YELLOW AS A GUINEA. - The complexion, in a case of unchecked liver complaint culminating in jaundice, is literally, "as yellow as a guinea," It has this appearance because the bile, which enables the bowels to act, is directed from its proper course into the blood. In connection with this symptom there is nausea, coating of the tongue, sick headache, impurities of the breath, pains through the right side and shoulder blade, dyspepsia and constipation. These and other concomitants of liver complaint are completely removed by the use of NORTHROP & LYMAN'S VEG-ETABLE DISCOVERY AND DYSPEPTIC CURE, which is also an eradicant of scrofula, erysipelas, salt rheum, ulcers, cancers, nours, female weakness, jaundice, and umbago. It tones the stomach, rouses the liver, and after relieving them, causes the bowels thereafter to become regular. High professional sanction has been accorded to it; and its claims to public confidence are justified by ample evidence. Price \$1.00. Sample bottle. 10 cents. Ask for NORTHROP & LYMAN'S Vegetable Discovery and Dyspeptic Cure. The wrapper bears a FAC-SIMILE of their sig. nature. Sold by all medicine dealers.
