HERRING COYE, April 8, 1882. HOLMAN PAD COMPANY, 119 Hollis St., Halifax. DEAR SRS.—My wife has been ill for about THREE years, and attended by the best physicians without receiving the least benefit therefrom; but since wearing your Pads, she is QUITE WELL. With deepest gratitude and with the view of benefiting others, I remain, Yours obediently, JOHN KEATING.

YELLOW AS A GUINEA.—The complexion, in a case of unchecked liver complaint culminating in jaundice, is literally, "as yellow as a guinea." It has this appearance because the bile, which enables the bowels to act, is directed from its proper course into the blood. In connection with this symptom there is nausea, coating of the tongue, sick headache, impurities of the breath, pains through the right side and shoulder blade, dyspepsia and constipation. These and other concomitants of liver complaint are completely removed by the use of NORTROP & LYMAN'S VEGETABLE DISCOVERY AND DYSPEPSIC CURE, which is also an eradicator of scrofula, erysipelas, salt rheum, ulcers, cancers, humors, female weakness, jaundice, and lumbago. It tones the stomach, rouses the liver, and after relieving them, causes the bowels thereafter to become regular. High professional sanction has been accorded to it; and its claims to public confidence are justified by ample evidence. Price \$1.00. Sample bottle, 10 cents. Ask for NORTROP & LYMAN'S Vegetable Discovery and Dyspeptic Cure. The wrapper bears a FAC-SIMILE of its signature. Sold by all medicine dealers. July 26.
