THE ELEMENTS OF BONE, BRAIN, AND MUSCLE are derived from the blood, which is the grand natural source of vital energy, the motor of the bodily organs. When the circulation becomes impoverished in consequence of weak digestion and im-perfect assimilation of the food, which should enrich it, every bodily function flags and the system grows feeble and disordered. When the blood becomes impure either from the development of inherited seeds of disease, its contamination by bile, or other causes, serious maladies surely follow. A highly accredited remedy for these evils is NORTHROP & LYMAN'S VEGETABLE DISCOVERY AND DYSPEPTIC CURE, which eradicates impurities of the blood and fertilizes it by promoting digestion and assimilation. Moreover, this fine alterative and stomachic exerts a specific action upon the liver, healthfully stimulating that organ to a performance of its secretive duty when inactive, and expelling bile from the blood. It likewise possesses diuretic and depurent properties of a high order, rendering the kidneys active and healthy, and expelling from the system the acrid elements which produce rheumatic pain. Price \$1.00. Sample Bottle, 10 cents. Ask for NORTHROP & LYMAN'S Vegetable Discovery and Dyspeptic Cure. The wrapper bears a FAC-SIMILE of their signature. Sold by all medicine dealers. eow.

#### Deaths.

Our excellent brother Edgar M., the youngest son of Mr. Charles Mosher, of Lake George, King's Co., was drowned while river driving, March 3rd, near Farrensville, Pennsylvania. He had gone to the States, to aid his parents in their declining years. He was nearly 26 years old. About four years ago he was baptized by Rev. J. L. Read. He was most exemplary in his life, and beloved by all who knew him; and most loved by those who knew him best. May his parents be comforted in their great bereavement; and may his loss be sanctified to his only surviving brother, and the three sisters, so that all may meet in heaven:

"Where those long parted meet again, And those who meet shall part no

How sweet to know that a family whose members are all christians, shall be an unbroken circle in the better home. So may it be with this stricken family .-

Com. by Rev. D. Freeman. At Brooklyn St., Cornwallis, Mrs. Abel Strong, widow of the late Deacon Strong. She was baptized with her husband by Father Manning, about fifty-years ago, and continued to be a devoted and rerespected member of the Church, to the respected member of the Church, to the time of her death. During her last illness, her faith was firm in Christ, she feared not death, knowing that, to be with Christ would be far better. "Write, blessed are the dead which die in the Lord from henceforth."— ("Christian Vicitor" places conv.)

Visitor" please copy.) At Goshen, March 12th, in the 21st year of her age, Jessie, daughter of Brother Charles and Sister Nichols. Miss Nichols was baptized and united with the Baptist Church in 1879, she was a member of that church in 1879, she was a member of that church, and a very amiable person. She was much loved by the Church members, and by all who had formed an acquaintance with her. Her sufferings were borne with great patience and Christian fortitude. Her trust was strong in Jesus.— Com. by Rev. H. Eagles.

At Masstown, Colchester Co., of diphtheria, March 20th, Armenia, daughter of William and Susan McKinlay, aged 4

years and 8 months. At Acadian Mines, Londonderry, March

At Dartmouth, again we mourn the loss by death of a beloved member of our Church, Miss Lila M. Hume, was baptized at Chester, by Rev. I. J. Skinner, twelve years ago, when she was thirteen years of age. Nine years ago the family moved to Dartmouth, when she united with the Dartmouth Baptist Church of which she remained a consistent and worthy member until Friday the 17th inst., when she suddenly but peacefully fell asleep in Jesus. This makes the third bright promising girl that has been removed from this family circle within one year. We do not mourn as those who have no hope, but our loss is never-theless keenly felt. The whole commu-nity sympathizes deeply with the bereav-ed mother and sisters. But it is pleasant indeed to remember that their hearts are

cheered in this day of sorrow by the pre-cious hope of meeting again in the heav-enly home, where 'God shall wipe away away all tears from their eyes.' At Brainard, Crowwing County, Minnesota, U. S., Feb. 8th, Emery Macomber, aged 31 years, a native of Hants Co., N.S., and for some time worked as a blacksmith in Canning, Cornwallis, where he married Miss Rebecca Pineo, they lately emigrated to the above place. Their little daughter Ethel Lilian, aged 16 months, died the 3rd day of January last, leaving the mother, now a widow, with one little son in that far off land. W. A. T.

At the Provincial and City Hospital, March 21st, David Dawkins, aged 33 At Upper LaHave, on the 16th inst.

John Henry Mullock, in his 88th year. At New Germany, Feb. 9th, Mrs. Lohnes, aged 101 years, 1 month and 15 days. At Mahone Bay, March 10th, Catherine, wife of the late Peter Ernst, being within

a month of 91 years old.

At Mason's Island, Lunenburg Co., on the 20th inst., Philip Mason, aged 81

At Salem. Cumberland Co., Dec. 31st, Rebekah A. Lunn, aged 21 years. She was baptized upwards of a year previous to her death, by Rev. J. F. Kempton, and bore consistent testimony to her faith in Christ. Her end was joyful.

At Windsor, on the 23rd March, Saidee Shand, aged 37 years, daughter of Peter and Sarah Shand. Deeply loved for personal qualities and highly esteemed for her devotion to the cause of Christ in connection with Sunday School, missions, and the church. Through a long illness she had great peace and departed in perfect trust.

Liver Complaint.

CALEB GATES,-

DEAR SIR,-I write this from a sense of gratitude for the bottle of No. 1

**Invigorating Syrup** you gave me last June, as I was inclining to the Liver Complaint, and one bottle removed the difficulty I was laboring under; and I believe it to be an excellent stimulating Syrup, especially for Liver Complaint. As the one bottle was so beneficial last spring, I want another one this spring. Send it along. I am glad to know from experience that you under-stand the medicial properties of some of the roots and herbs that the Lord made for the benefit of Man.
