THE ELEMENTS OF BONE, BRAIN, AND MUSCLE are derived from the blood, which is the grand natural source of vital energy, the motor of the bodily organs. When the circulation becomes impoverished in consequence of weak digestion and imperfect assimilation of the food, which should enrich the blood, the system grows feeble and disordered. When the blood becomes impure either from the development of inherited seeds of disease, its contamination by bile, or other causes, serious maladies surely follow. A highly accredited remedy for these evils is NORTHERN & LYMAN'S VEGETABLE DISCOVERY AND DY-PETIC CURE, which eradicates impurities of the blood and fertilizes it by promoting digestion and assimilation. Moreover, this fine alternative and stomachic exerts a specific action upon the liver, healthfully stimulating that organ to a performance of its secretory duty when inactive, and expelling bile from the blood. It likewise possesses diuretic and depurative properties of a high order, rendering the kidneys active and healthy, and expelling from the system the acrid elements which produce rheumatic pain. Price \$1.00. Sample Bottle, 10 cents. Ask for NORTHERN & LYMAN'S Vegetable Discovery and Dy-petic Cure. The wrapper bears a FAC-SIMILE of their signature. Sold by all medicine dealers. THE BLOOD AND NERVE TISSUES

owe their healthy existence to PHOSPHORUS and become disorganized when it is lessened in quantity. It is as necessary to the proper preservation of the functions of life as Electricity is to the Telegraph. The use of Phosphorus, combined with Col Liver Oil, Lime, Soda, &c., in PERRIN'S EMULSION, by providing in a palatable and perfectly digestible form, all the elements necessary to the healthy growth and vitality of the body, prevents and rapidly cures all diseases which are due to its being present in less quantity than nature demands. Hence its inestimable value in Brain diseases, Nervous debility, Wasting and other Lung troubles, which, beginning in loss of flesh and vitality, with COUGHS, COLDS and BRONCHITIS, end in that fell destroyer of the human race—CONSUMPTION.

Strange but True!

The Only Sure Cure for Dropsy Known! READ THE FOLLOWING: GETSON'S POINT, N. S., Nov. 20th, 1881. MESSRS. C. GATES, SON & CO.: Gentlemen,—I should have written to you before but neglected to do so, I feel it my duty to send you the following information from gratitude to you, and for the benefit of those suffering as I was. About five years ago I was greatly afflicted with Rheumatism and Dropsy. My legs were swollen to an enormous size; I could not even get from my bed without the aid of my wife, for several days at a time. I tried all kinds of Patent Medicines and a number of bottles of Dr. Thomas' Electric Oil and also Johnson's Liniment, but found myself growing worse, and I applied to several Doctors from whom I received no benefit. In the following summer I went to Halifax to the Provincial Hospital and there lay under the Doctor's treatment for eight weeks. I had my legs tapped twice, and bled several times. I suffered day and night everything but death. I then left that institution and returned home, having received little or no benefit, and expecting never to get any better. I was then advised by a friend to resort to your valuable medicine, No. 1 Syrup, and No. 2 and No. 2 and 3 Bitters with a box of Nerve Ointment and Vegetable Plaster. The first few bottles I used I did not feel much better, but when I had taken six bottles the swelling was going down in my legs, and my system began to feel better. In all I used but twelve bottles, and now I am enjoying the best of health. I am thankful to God that He made your medicine an instrument in His hands of saving my life. W. E. SHAFFER, Sworn to before me, at New Dublin, this 27th day of Dec., 1881. JOHN GAUL, J. P. May 3. Sold Everywhere.
