A PROLIFIC SOURCE OF DISEASE.-A trifling indiscretion in diet may lay the foundation of confirmed dyspepsia, and there is no fact in medical science more positively ascertained or more authorita-tively asserted than that dyspepsia is the parent of a host of bodily ills, not the least of which is contamination of the blood and the maladies of which that is the direct consequence. Their original cause is, however, thoroughly eradicated from the system by NORTHROP & LYMAN'S VEGETABLE DISCOVERY AND DYSPEPTIC CURE, a medicine which only requires regularity and persistence in its use to oure dyspepsia and the many ills that arise from it. No deleterious mineral ingredient is contained in it, and though its action is thorough in cases of costiveness, it never produces griping pains in the abdeminal region, or weakens the bowels like a violent purgative. It in the 44rd year of her age. vigorates the system through the medium | On Monday, June 12th, Isabella Mc of the increased digestive and assimilative activity which it promotes, and is also a most efficient remedy for kidney complaints, scrofulous and all diseases of the blood, female weakness, &c., &c.
