YELLOW AS A GUINEA. - The complexion, in a case of unchecked liver complaint, culminating in jaundice, is literally "as yellow as a guinea." It has this appearance because the bile, which enables the bowels to act, is directed from its proper course into the blood. In connection with this symptom there is nausea, coating of the tongue, sick headache, impurity of the breath, pains through the right side and shoulder blade, dyspepsia and constipation. These and other concomitants of liver complaint are completely removed by the use of Northrop & Lyman's VEGETABLE DISCOVERY SEALED TENDERS marked "Tender for Church," and addressed to A. B. Stronach, Esq., Margaretville, Annapolis Co., will be received by Building Committee, till Monday, May 1st, 1882, at 12 rheum, ulcers, cancers, humours, female weakness, jaundice, and lumbago. It tones the stomach, rouses the liver, and after relieving them. causes the bowels thereafter to become regular. High professional several fessional sanction has been accorded to it; and its claims to public confidence are justified by ample evidence. Price, \$1.00. Sample Bottle, 10 cents. Ask for Nor-THROP & LYMAN'S Vegetable Discovery of A. B. Stronach, or copies of same, and Dyspeptic Cure. The wrapper bears approximately correct, can be had by adand Dyspeptic Cure.
