THE MOST SUCCESSFUL REMEDY ever discovered as it is certain in its effects and

ADAMS, N. Y., Jan. 30, 1882. DR. B. J. KENDALL & Co., Gents :- Having used a good deal of your Kendall's Spavin Cure with great success, I thought I would let you know what it has done for me. Two years ago I had as speedy a colt as was ever raised in Jefferson County.
When I was breaking him, he kicked over
the cross bar and got fast and tore one of his hind legs all to pieces. I employed the best farriers, but they all said he was spoiled. He had a very large thorough-pin, and I used two bottles of your Kendall's Spavin Cure, and it took the bunch entirely off, and he sold afterwards for \$1800 (dollars.) have used it or bone spavins and wind galls, and it has always cured completely and left the leg smooth.

It is a splendid medicine for rheumatism. I have recommended it to a good many, and they all say it does the work. I was in Witherington & Kneeland's drug store, in Adams, the other day and saw a very fine picture you sent them. I tried to buy it, but could not; they said if I would write to you that you would send me one. I wish you would, and I will do you all the good I

Cured the sprain in very short order.
