On the 14th Dec., Minnie S., the only and beloved daughter of Lockhart and Susan Dimock, of Poplar Grove, Newport. Blessed with a mother whose chief desire was to see her children led to Christ, she learned to love His name from childhood, and when but eleven years of age she enjoyed the sweet assurance that God had for Christ's sake pardoned her sins, and had a strong desire to go forward in the ordinance of baptism.

She, however, cheerfully yielded to the judgment of her parents, who thought she had better wait a while. Such, however, was her Christian department that no doubt could be entertained of her conversion. At the age of fifteen she made a public profession of her faith in Christ, and was baptized. Although for some time not in good health, a few days before her death she seemed to be doing well, that her parents were not apprehensive of danger, nor did they dream that they were so soon to be deprived of her loving presence. Her dying words were that she could trust in Jesus. May the Lord comfort the bereaved family.—G. W. WITHERS.

DROPSY CURED

—BY— GATES' Life of Man Bitters

Invigorating Syrup.

FALMOUTH, N. S., April 8th, 1868.

DR. GATES, —My dear Sir,—Since I have taken your valuable medicine I feel entirely cured of all my complaints, by which I was brought down to the verge of the grave, and had nothing to look for or expect, but death at any hour, with the complaint of the Dropsy, and other female weaknesses." I was swollen to an immense size. At this period I accidentally heard through a lady that you had cured her of a like complaint. My husband went with all speed possible to your residence at Windsor, and procured some of your valuable medicine. I commenced forthwith to take it. I was swollen to an unaccountable size, with severe pains and soreness, but in three months I was able to attend to my household duties, for which change I feel devoutly thankful to God, and think it a duty I owe humanity, at once to say to all persons suffering as I did, to apply to Dr. Gates without delay. If the disease be curable, with the same medicine a cure may be confidently looked for.

I am, dear Sir, with respect, yours truly, MARY E. SKINNER.

Personally appeared before me, the subscriber, Mary E. Skinner, of the Township of Falmouth, and weath' oath that the contents of above certificate of the virtue of Dr. Gates' medicine is correct. ANDREW SHAW, J. P.

Mrs. Skinner still remains well, never having symptoms of the disease since, generally taking a few bottles in the spring of the year to keep her blood pure. Sold throughout the Maritime Provinces, and at wholesale by BROWN & WEBB, FORTSMYTH, BUTCLIFFE & Co., and JOHN K. BEST. Jan. 4.
