ENTLEMEN—We have pleasure in stating that our sales of your EMULSION OF COD LIVER OIL are steadily increasing, amounting now to about a thousand bottles monthly, and that it seems to give very general satisfaction. During our long experience (over fifty years) in the Drug business we have seldom met with any preparation of similar character which has obtained so large a sale, or so wide a popularity, not only with the general public, but also amongst MEDICAL MEN. These results, we believe, are largely due to the merits of your specialty, as well as to the skill with which it is prepared, and the moderate price at which it is supplied to the consumer. Yours resp'y, BROWN & WEBB, WHOLESALE DRUGGISTS, etc., etc.

N. B.—The physicians of Ontario inform our agent, who has lately interviewed them, that one great advantage PUTTNER'S EMULSION holds over all others is that it is so easily digested, and their delicate patients after rejecting all other EMULSIONS can retain PUTTNER'S with ease.
