A PROLIFIC SOURCE OF DISEASE. - A trifling indiscretion in diet may lay the foundation of confirmed dyspepsia, and there is no fact in medical science more positively ascertained or more authoritatively asserted than that dyspepsia is the parent of a host of bodily ills, not the least of which is contamination of the blood and the maladies of which that is the direct consequence. Their original cause is, however, thoroughly eradicated from the system by NORTHROP & LYMAN'S VEGETABLE DISCOVERY AND DYSPEPTIC CURE, a medicine which only requires regularity and persistence in its use to cure dyspepsia and the many ills that arise from it. No deleterious mineral ingredient is contained in it, and though its action is thorough in cases of costiveness, it never produces griping pains in the abdominal region, or weakens the bowels like a violent purgative. It invigorates the system through the medium of the increased digestive and assimilative activity which it promotes, and is also a most efficient remedy for kidney complaints, scrofulous and all diseases of the blood, female weakness, &c., &c. Price \$1.00. Sample bottle, 10 cents. Ask for Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. The wrapper bears a FAC-SIMILE of their signature. Sold by all medicine dealers. April 5.

SPRINGHILL MINES, Aug. 3rd, 1881. MESSRS. C. GATES' SON & CO :--

Your preparations given to the public as a cure for Asthma and Consumption may be considered reliable in my experience. My neighbors can also say the same of me. They had no hope whatever, and advised my wife to spend no more money on me, thinking it was no use, as

I had been given up by the doctors; but I had been given up by the doctors; but I thought I would try your medicines, and consider that it is by their use only that I am living and maintaining my family by my own work. The doctors advised me not to take it, because they said, when the cough stopped I would not live 24 hours; but I am alive, thanks to GATES' MEDICINES, and am doing better than I have been for a great many years.
