YELLOW AS A GUINEA. - The complexion, in a case of unchecked liver complaint, culminating in jaundice, is literally "as yellow as a guinea." It has this appearance because the bile, which enables the bowels to act, is directed from its proper course into the blood. In connection with this symptom there is nau-sea, cating of the tongue, sick headache, impurity of the breath, pains through the right side and shoulder blade, dyspepsia and constipation. These and other concomitants of liver complaint are completely removed by the use of Northrop & Lyman's VEGETABLE DISCOVERY AN DYSPEPTIC CURE, which is also an eradicant of. scrofula, erysipelas, salt rheum, ulcers, cancers, humours, female weakness, jaundice, and lumbago. It tones the stomach, rouses the liver, and after relieving them. causes the bowels thereafter to become regular. High professional sanction has been accorded to it; and its claims to public confidence are justified by ample evidence. Price, \$1.00. Sample Bottle, 10 cents. Ask for Nor-THROP & LYMAN'S Vegetable Discovery and Dyspeptic Cure. The wrapper bears a fac-simile of their signature. Sold by all medicine dealers. Jan. 25.

Her hearing and speech were gone but her countenance bespoke peace of mind. January 30th, after a short and severe illness, in the 26th year of his age, Chas. A. Neily. Our deceased brother made a profession of religion and was baptized about five years ago by Rev. E. O. Reid. His subsequent deportment justified the act. Friends sorrow not as those who have no hope. His death has left serious impressions on a large circle with whom he was a universal favourite.

On January 30th, Mrs. Olivia Beckwith, relict of the late Elfsha Eaton, passed quietly away to the rest that remaineth for the people God, in the 71st year of her age. For many years she was unable to mingle actively in the affairs of life and for the last four years she was confined to her couch. It was exceedingly pleasant to visit her and note the strength of her faith and the brightness of her here faith and the brightness of her hope. Her trust in God never wavered. Even when her husband was removed as in a moment her faith triumphed. And with a mind unclouded trusted where she could not trace. Her last illness was brief and down to the close of life she could express her perfect rest in Jesus and the certainty of her going home. "She was not, for God took her."—Com. By Rev. F.

Thomas Potter, one of the oldest members of the 2nd Hillsburgh Church, departed this life on the 17th November, 1881, after a brief but very painful illness, at the advanced age of 81 years and 7 months. When quite a youth he was brought to the knowledge of the truth as it is Jesus under the preaching of the late Father Harris Harding. Many things appear to have hindered him from publicly uniting with the people of God, in the participation of church privileges, till about thirty years ago when he was led to obey his Saviour in the ordinance of hantism. He was a lover of good man baptism. He was a lover of good men, and a careful reader of good books. In the infirmities of his last years these afforded him much comfort, and at even tide it was light with him. His aged widow is much comforted in her sorrow. And well she may be, for as she for many years has been partaker with him of spiritual life here, so is she certain of a happy reunion very soon. J. H. S.
