

WINTRY BLASTS ARE SPECIALLY FRUITFUL of coughs and colds. Children who romp out of doors during the cold season are very subject to them, and no household where there are children should be unprovided with an effective safeguard against lung disease. Such a one is Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda, a preparation in which the former ingredient possesses the utmost purity, and where its well-known pulmonary properties are increased by the admixture of the lime and soda salts. Of these the basis is phosphorus, an essential constituent of the brain, the muscles and the blood, and long recognized by physicians as a strengthening and fortifying agent of surpassing efficacy. The waste of bodily tissue consequent upon lung, chest, and throat complaints is promptly checked by this time-honored remedy, and the irritation of the breathing organs arrested and overcome by it. The article has been pronounced by physicians the best preparation of its class, and this professional verdict has found an echo in the grateful acknowledgments of many who, despairing of aid from any source, have nevertheless sought and found relief from it. Persons whose chest and lungs are weak should use it as a preventive. Asthma, coughs, colds, spitting of blood, bronchitis and laryngitis are promptly remedied by it, and it also possesses properties as a blood purifier very manifest in various types of scrofula. Prepared only by Northrop & Lyman, Toronto, Canada. Jan. 18. eow. 2m.

HOLMAN PAD COY:

Gentlemen,—I am about starting on a tour, and before leaving, think it but due to you to state the great benefit I have experienced in wearing one of your Holman Liver and Stomach Pads. I have worn it about three weeks, and from the third day have had more real satisfaction than in months before. My dyspepsia and constipation have disappeared. I was afflicted with the piles. My bowels are now regular, and I feel all right. I would commend your Pads to all like sufferers with me, and shall take every opportunity in my power to make known its wondrous effects. I feel very thankful that I have been made acquainted with it, and for its beneficial results.

I am, Gentlemen, Very respectfully yours, (Major) T. H. HARTMUS.
