Gentlemen,—I have much pleasure in informing you of the benefit I have received from wearing one of your Pads. I was induced by a friend, last December, to give one a trial. Since then my health great benefit was derived.

I did so, and one bathing cured them. Some time afterwards my wife's eyes got sore, and she used it with the same effect. I gave some to a friend who had Erysipelas for years, and after bathing with it great benefit was derived. to give one a trial. Since then my health has improved so much that I have gained twenty-two pounds in weight. Under these circumstances, I feel that I am obligated, not only to you but to every person suffering as I did before I commenced to wear your Pad, to endeavor, as far as I possibly can, to help to place such a remedy within the reach of every sufferer.

Yours truly. LAWRENCE McKIN,

DEAR SIRS:—"I desire to express my teelings of profound gratitude to you who have helped me so much by the use and application of your wonderful medicine known as your Absorptive Pads and Plasters. I was sick about two years, and spent a large sum of money with Physicians but received very little benefit until I tried your Absorptive treatment. When I commenced using it this summer I could scarcely walk across the floor, and now I can walk a mile at a time, and attend to household duties much better than I could before and feel only too glad to not side only. The Kendall's pavin Cure is in excellent demand with us, and not only for animals, but for human ailments also. Mr. Jos. Voris, one of the leading farmers in our county, sprained an ankle badly, and knowing the value of the remedy for horses, tried it on himself, and it did far better than he had expected. Cured the sprain in very short order.
