WATSON EATON. Halifax, Aug. 15th, 1882.

THE ELEMENTS OF BONE, BRAIN, AND MUSCLE are derived from the blood, which is the grand natural source of vital energy, the motor of the bodily organs. When the circulation becomes impoverished in consequence of weak digestion and imperfect assimilation of the food, which should enrich it, every bodily function flags and the system grows feeble and disordered. When the blood becomes impure either from the development of inherited seeds of disease, its contamination by bile, or other causes, serious maladies surely follow. A highly accredited remedy for these evils is NORTHROP & LYMAN'S VEGETABLE DISCOVERY AND DYSPERTIC CURE, which eradicates impurities of the blood and fertilizes it by promoting digestion and assimilation. Moreover, this fine alterative and stomachic exerts a specific action upon the liver, healthfully stimulating that organ to a performance of its secretive duty when inactive, and expelling bile from the blood. It likewise possesses diuretic and depurent properties of a high order, rendering the kidneys active and healthy, and expelling from the system the acrid elements which produce rheumatic pain. Price \$1.00. Sample Bottle, 10 cents. Ask for NORTHROP & LYMAN'S Vegetable Discovery and Dyspeptic Cure. The wrapper bears a FAC-SIMILE of their signature. Sold by all medicine dealers.

O who would wish thy longer stay In such a world as this,
Since thou hast gained the realms of day and an unending bliss.

At St. Croix Cove, Annapolis, Co., July 17th, of consumption, which she bore with christian fortitude and resignation, Eugenia beloved wife of Joseph Healy, aged 28 years. She died in the triumphs of a living faith in her Redeemer. May the Lord sustain the bereaved husband, the three children and the large circle of relations and friends who mourn their loss.

Our brother was baptized in his 19th year by his father, the late Rev. Henry Saunders, and during his life maintained a creditable christian profession—was an active man in Sabbath School and temperance work. In the sick room he was a kind and faithful nurse, always present when his services were required. His last ilness was short and severe. Constantly expressing his trust in Christ, until shut out from intercourse with friends by unconsciousness, which was unbroken during the last few days of his life. "Our brother sleepeth."

At Kingston, July 28, aged 67, Emily Dodge, beloved wife of John Wheelock, Esq. Our deceased sister suffered intensely for nearly a year. Except when her mind was temporarily beclouded she had a clear view of her interest in Christ. For about forty years she was a member of the Lower Aylesford church, though often troubled with doubts, yet she was looking and longing for greater light. We believe she has left the land of shadows and passed to that land where
