SCROFULA

and all scrofulous diseases, Sores, Erysipelas, Eczema, Blisters, Ringworm, Tumors, Carbuncles, Boils, and Eruptions of the Skin, are the direct result of an impure state of the blood. To cure these diseases the blood must be purified, and restored to a healthy and natural condition. AYER'S SARSAPARILLA has for over forty years been recognized by eminent medical authorities as the most powerful blood purifier in existence. It frees the system from all foul humors, enriches and strengthens the blood, removes all traces of mercurial treatment, and proves itself a complete master of all scrofulous diseases.

A Recent Cure of Scrofulous Sores. "Some months ago I was troubled with scrofulous sores (ulcers) on my legs. The limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AYER'S SARSAPARILLA, of which I have now taken three bottles, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your medicine has done me. Yours respectfully, MRS. ANN O'BRIAN, 148 Sullivan St., New York, June 24, 1882.

All persons interested are invited to call on Mrs. O'Brian; also upon the Rev. Z. P. Wilds of 78 East 54th Street, New York City, who will take pleasure in testifying to the wonderful efficacy of Ayer's Sarsaparilla, not only in the cure of this lady, but in his own case, and in many others within his knowledge.

The well-known writer on the Boston Herald, B. W. BALL, of Rochester, N.H., writes, June 7, 1882: "Having suffered severely for some years with Eczema, and having failed to find relief from other remedies, I have made use, during the past three months, of AYER'S SARSAPARILLA, which has effected a complete cure. I consider it a magnificent remedy for all blood diseases."

Ayer's Sarsaparilla stimulates and regulates the action of the digestive and assimilating organs, renews and strengthens the vital forces, and speedily cures Rheumatism, Neuralgia, Rheumatic Gout, Catarrh, General Debility, and all diseases arising from an impoverished or corrupted condition of the blood, and a weakened vitality. It is incomparably the cheapest blood medicine, on account of its concentrated strength, and great power over disease. PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists; price \$1, six bottles for \$5. Feb. 7. 1y.

EDITORIAL NOTICE. FROM THE N. Y. WATCH TOWER. BUDS AND BLOSSOMS is the title of a neat and attractive illustrated religious monthly magazine, published in Halifax, N. S., and edited by Rev. J. F. Avery, pastor of the Third Baptist Church of that city. It is now in its seventh volume, and does credit to both publisher and editor. It is such a periodical as will prove a blessing in any family where it is taken and read.

J. F. AVERY, of Halifax, editor of BUDS & BLOSSOMS, sent us a copy of his magazine. We were very much pleased with it. It is a nearer approach to the English magazines of the same class than anything published here. Its ILLUSTRATIONS are good and its reading matter such as must do good. We wish it success.

THE PRESBYTERIAN WITNESS in its last issue had word for "Buds & Blossoms." It is a good family magazine. A Baptist Minister writes: "Buds & Blossoms is nearly perfect in get up, the quantity and price is also a great temptation and surprise. If known it must gain subscribers."

A Cabinet Photo of the Editor and his wife is offered for 5 new subscribers. 12 pictures monthly. A 25 page magazine for 75 cents a year. Specimen copy 7 cents. Jan. 24.
