FOO CHOO'S BALSAM OF SHARK'S OIL. Positively Restores the Hearing, and is the only Absolute Cure for Deafness Known. This Oil is abstracted from peculiar species of small WHITE SHARK, caught in the Yellow Sea, known as CARCARIO-DON RONDELETTI. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddhist Priest about the year 1410.

HEAR WHAT THE DEAF SAY! It has performed a miracle in my case. I have no unearthly noises in my head and hear much better. I have been greatly benefited. My deafness helped a great deal—think another bottle will cure me.

Patents.

obtained for Inventors, in the United States, Canada, and Europe, at reduced rates.

With our principal office located in Washington, directly opposite the United States Patent Office, we are able to attend to all Patent Business with greater promptness and despatch and less cost, than other patent attorneys, who are at a distance from Washington, and who have, therefore, to employ "associate attorneys."

We make preliminary examinations and furnish opinions as to patentability, free of charge, and all who are interested in new inventions and Patents are invited to send for a copy of our "Guide for obtaining Patents," which is sent free to any address, and contains complete instructions how to obtain Patents, and other valuable matter.

We refer to the German-American National Bank, Washington, D. C.; the Royal Swedish, Norwegian, and Danish Legations, at Washington; Hon. Jos. Casey, late Chief Justice, U. S. Court of Claims, and to Senators and Members of Congress from every State.

Address: LOUIS BAGGER & CO., Solicitors of Patents and Attorneys-at-Law, LeDroit Building, Washington, D. C.
