POPULARITY .- Why they are popular. The reason that National Pills are so universally popular is because they are certain in their action, mild and painless in their operation, and never leave the bowels constipated. They are sugarcoated and contain no mineral poison.

Dominion of Canada.

At Ottawa Lord and Lady Lansdowne are received with very respectful attention and courtesy by the citizens as they pass through the streets, and His Excellency was heard to remark that the Canadians were a singularly polite and good natured people.

A report has been telegraphed from Winnipeg to the American papers that work on the C.P.R. had been abandoned for two years. Another report says five years. There is the highest authority for saying that the statements are untrue. When the grading of the road has been completed to the summit of the Rocky Mountains, as announced months ago, no more grading will be done until spring. When track-layers have reached the summit they will stop. As soon as spring opens operations will be renewed with vigor, the intention being to employ 7,500 men and push on rapidly to the junction with the Onderdonk contract

The Brigantine Ellie E. Butler, Captain Spencer is now given up by the owners James Butler & Co. as lost. It is now 75 days since she left this port for Kingston, Jamaica, since which time nothing has been heard of her. Her cargo, is insured with Messrs. Twining

There was quite a fire in Grafton Street on Sunday morning, which, as usual, commenced in a groggery-probof last week had a lively time in voting ably licensed. Besides burning it down it drove six families from their homes, burned up their residences, furniture, clothing and money, and placed their lives in peril, leaving some of them entirely destitute. It is too bad that this should be allowed to continue. If dealers in intoxicating drinks were the only persons to suffer by such conflagrations we should soon find a way of preventing them but the innocent suffer | seventy years ago, recently returned to with the guilty and the poor are made poorer and so the vile business goes on.

> Ancient ruins are said to have been discovered in Sonora, which, if the reports be true, surpass anything of the kind yet found on this continent. Among them is a wonderful pyramid which has a base of 4,350 feet and rises to the height of 750 feet, while a winding roadway leads up by an easy grade to the top, wide enough for carriages, and said to be twenty-three miles in length. The circles of this road are reported to be as uniform and the grade as regular as they could be made to day by our best engineers.

feeses. Editors :---The above is a good likeness of Mrs. Lydia E. Pinkham, of Lynn, Mass., who above all other human beings may he truthfully called the "Dear Friend of Woman," as some of her correspondents love to call her. She is zealously devoted to her work, which is the outcome of a life-study, and is obliged to keep six lady assistants, to help her answer the large correspondence which daily pours in upon her, each bearing its special barden of suffering, or joy at release from it. Her Vegetable Compound is a medicine for good and not for evil purposes. I have personally investigated it and am satisfied of the truth of this, Con account of its proven merits, it is recommended and prescribed by the best physicians in the country. One says: "It works like a charm and saves much pain. It will cure entirely the worst form of falling of the aterus, Leucorrhea, irregular and painful Menstruation, all Ovarian Troubles, Inflamination and Ulceration, Floodings, all Displacements and the consequent spinal weakness, and is especially adapted to the Change of Life." It permeates every portion of the system, and gives new life and vigor. It removes faintness, flatulency, dectroys all craving for stimulants, and relieves weakness of the stomach. It cures Bloating, Headaches, Nervous Prostration, General Debility, Sleeplessness, Depression and Indigestion. That feeling of bearing down, causing pain, weight and backache, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system. It costs only \$1. per bottle or six for \$5., and is sold by druggists. Any advice required as to special cases, and the names of many who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by addressing Mrs. P., with stamp for reply, at her home in Lynn, Mass. For Kidney Complaint of either sex this compound is unsurpassed as abundant testimonials show.

"Mrs. Pinkham's Liver Fills," says one writer, "are the best in the world for the cure of Constipation, Billousness and Torpidity of the liver. Her Blood Purifier works wonders in its special line and bids fair to equal the Compound in its popularity. 'All must respect her as an Angel of Mercy whose sole
