Peaths.

We have just returned from attending one of the largest and most solemn funerals that ever took place in Granville, on Tuesday morning April 3rd, Mr. John R. Longmire entered his shop to begin his day's work as usual. He had kindled his fire and swept out his shop and taken his seat when he was seized with paralysis, of which he died about two hours afterwards. He was greatly respected throughout the community as an honest industrious, kind hearted man. About a year ago he professed faith in Christ and was received into the Lower Granville Baptist Church, and has since been justly regarded as a good Christian brother, worthy of our confidence and love. He was 50 years of age. His family are by his sudden death overwhelmed in sorrow. May the consolations of religion sustain the bereaved widow and the fatherless children. The aged father and mother of the deceased with the nine surviving children, all heads of families were present at the funeral. This is the first breach in that large family. May it be their highest ambition to be an unbroken family in the better land and may all hear the voice of God in this startling providence admonishing as to be also ready.-Com. by Rev. Isa Wallace.

At Freeport, Digby Co., March 30th, after a long and painful illness, Mrs. N. J. Thurber, aged 52 years. She had not publicly professed faith in Christ. Still she had for many months experienced comfort by trusting in the righteousness of Christ for salvation. She said to quite a number of friends, in the presence of her pastor—not long since, "I suppose you would not think me a Christian when you look at my life"—and, then weeping most touchingly, added, "But I am trusting in Jesus Christ; and I don't seem afraid to die." Sister Thurber leaves no children. An attentive and affectionate husband has been bereaved. Also a circle of relatives and friends. Foo Choo's Balsam of Shark's Oil Positively Restores the Hearing, and is the only Absolute Cure for Deafness Known.

This Oil is abstracted from peculiar species of small WHITE SHARK, caught in the Yellow Sea, known as CARCHARO-DON RONDELETH. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddhist Priest about the year 1410. Its cures were so numerous and MANY so SEEMINGLY MIRACULOUS, that the remedy was officially proclaimed over the entire Empire. Its use became so universal that for OVER 300 YEARS NO DEAFNESS HAS EXISTED AMONG THE CHINESE PEOPLE. Sent charges prepaid, to any address at \$1.00 per bottle.

It has performed a miracle in my case. I have no unearthly noises in my head

and hear much better. I have been greatly benefited. My deafness helped a great deal—think nother bottle will cure me.

"Its virtues are UNQUESTIONABLE and its CURATIVE CHARACTER ABSOLUTE, AS THE WRITER CAN PERSONALLY TESTIFY, BOTH FROM EXPERIENCE AND OBSERVA-TION. Write at once to HAYLOCK & JEN-NEY, 7 Dey St., New York, enclosing \$1.00, and you will receive by return a remedy that will enable you to hear like HONOR TO WHOM HONOR IS DUE. anybody else, and whose curative effects will be permanent.
