Peaths.

At Avondale, Newport, on Saturday, March 10th, Asa Knowles, in the 72nd year of his age. Our brother was a consistent and active member of the Newport Baptist Church, and was highly respected in the church for his steadfast adherence to the cause of his Master, combined with kindness of heart and many social virtues. He was a man of few words, but when in the company of his brethren he testified of the truth and was always listened to with attention. His words were weighty because of the life which constantly attested their sincerity. Quiet and unassuming in his walk and conversation, candid in the expression of his ideas, faithful in following his convictions his life was the steady and clear light of a life made blessed in its influence by the indwelling of the Spirit in the heart, and regulated by the principles, and strengthened by the promises of the Word of God. He loved the society of Christians, and whenever practicable he was found at his post in the Prayer and Conference meetings. Those who heard him felt that his words were expressions of the inner life of the soul, and not of theory alone. His presence and aid will be greatly missed in the church on earth, but we trust that in the Church triumphant he numbers one of those who have come up "out of great tribulations and washed their robes and made them white in the blood of the Lamb." J. E. LOCKE.

At Millville, Aylesford, March 12th. Mrs. Rebecca, relict of the late Emerson Gates, aged 50 years. The departed united with the Baptist Church in this time she has honoured her profession by a godly life. J. L. R.

At Pleasantville, Lunenburg Co., on the 23rd of March, after a lengthened illness, Elizabeth, beloved wife of Capt. Lewis Sarty, and daughter of the late William Corkum, of the above place, in the 65th year of herage. Our sister was baptized by the late Rev. Bennett Taylor, on the 8th May, 1857, and united with the LaHave Baptist Church of which she continued an exemplary and consistent member until her removal by death, beloved and deeply lamented by her husband, children and friends, and by the church, who has lost one of its brightest ornaments. Her funeral was largely attended and a sermon preached by her pastor, from Col. i. 12. May the mourners and their consolition in the large l find their consolation in the Lord. S. M.

On the 6th of January, at the residence of his brother-in-law, J. C. Cook, Lynn, Mr. William Morgan, son of the late John and Elizabeth Morgan, of Riverside, Guysboro, N. S., of consumption, aged 40 years, leaving a wife and four children.

This OIL is abstracted from peculiar species of small WHITE SHARK, caught in the Yellow Sea, known as CARCHARO-DON RONDELETII. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddhist Priest about the year 1410. Its cures were so numerous and MANY so seemingly miraculous, that the remedy was officially proclaimed over the entire Empire.
