Deaths.

[The following note may well find a place here.—ED. C. M.] DEAR BROTHER SELDEN,-

Death has been doing its work of late among our neighbors' children. Fourteen deaths since last fall have taken place in the vicinity of Springfield, of which thirteen were children from six months up to fourteen years of age, all caused by whooping cough, and Diptheria. Brother Joseph Bent has just buried his third and only boy. May God sustain our Brother and sister in their bereavement, caused by

She experienced religion, and was united to the Portaupique Baptist Church about 40 years ago, under the faithful labours of the late Rev. J. E. Cogswell, from which time she continued a consistent member until death. She was kind to the poor, and given to hospitality. The funeral services were conducted by Rev. G. F. Whitman, aged 24 years and 20 days, daughter of Mr. George R. Whitman and Sarah M. Whitman. She was a consistent and respected member of Guysborough Baptist Church. The writer visited her in March, in company with Bro. H. R. Cuuningham, whose christian sympathy and Christ-like qualities are admirable. The interview with our Sister was one of great satisfaction, she was firmly trusting in Jesus. "In her patience possessed she her soul," rill it pleased God in whom

she trusted, to release her from a world of sorrows, and translated her to that kingdom in which "tears are wiped from her eyes." Could she now witness the lamentations of father, mother, brothers, sisters and friends on her account, she would say, "weep not for me, but weep that you are detained from the joys to

which I, through the mercies of my Redeemer, have been admitted. Weep not for me. I have finished my course with joy, but prepare to follow. "Blessed are the dead which die in the Lord."— Com. by Rev. D. McLeod. At Folly Village, Londonderry, Feb. 2nd, Charles Edward, son of William and

Mary Jane McElhenney, in the 21st year of his age. He had desired to obtain an education that would fit him for greater usefulness. For some time previous to his decease, it became evident to his friends that he was destined to an early grave. When the conviction of the nature of his disease was forced upon his mind he was enabled calmly to surrender himself to the will of God, and with cheerful hope, to await the time for his departure. Our young friend was awak-ened to a sense of his need of Christ sever-al years ago, when the evangelist Hutchin-son and Bromley, held special services in the place. He had clear views of the atonement. Once in answer to an inquiry from his pastor, he repeated the lines-"Not is mine innocence I trust;

I bow before Thee in the dust; And through my Saviour's blood alone I look for mercy at Thy throne." And these words indicated his habitual trust in the merits of the Saviour's blood. The fond hopes of parents, brothers and sisters respecting his earthly future are laid low, but they rejoice in the assurance that he has been called to a higher service, and to realize the blessedness of those who die in Jesus. The funeral sermon was preached by Rev. G. F. Miles from Jno. xiii. 7: What I do thou know-

Foo Choo's Balsam of Shark's Oil Positively Restores the Hearing, and is the only Absolute Cure for Deafness Known.

This OIL is abstracted from peculiar species of small WHITE SHARK, caught in the Yellow Sea, known as CARCHARO-DON RONDELETII. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddhist Priest about the year 1410. Its cures were so numerous and MANY so SEEMINGLY MIRACULOUS, that the remedy was officially proclaimed over the entire Empire. Its use became so universal that for OVER 300 YEARS NO DEAFNESS HAS EXISTED AMONG THE CHINESE PROPLE. Sent charges prepaid, to any address at \$1.00 per bottle.

It has performed a miracle in my case. I have no unearthly noises in my head and hear much better.

I have been greatly benefited. My deafness helped a great deal—think another bottle will cure me. Special Discount to Clergy

"Its virtues are UNQUESTIONABLE and its CURATIVE CHARACTER ABSOLUTE, AS, THE WRITER CAN PERSONALLY TESTIFY, THE WRITER CAN PERSONALLY TESTIFY,
