GATES' INVIGORATING SYRUP.

This preparation is well known throughout the country as the best family medi-cine before the public, and should be kept in every household. For coughs and colds, a little night and morning will soon break them up.

For dyspepsia it gives immediate relief. For irregularities of the bowels nothing can be found to excel, as it causes no griping nor pain. For asthma and palpitation of the

art one swallow gives instant relief. Sick headache, stomach and pin worms yield at once. It is in fact an invigorator of the whole system, whereby a regular and healthy circulation is maintained. It has been well tested already and will do all that we say it will do.

Price only 50 cents. Sold everywhere.

NENDALL & SPAVIN GUKE.

Denver, Colorado, April 22nd, 1882.

Dr. B. J. Kendall & Co., Gents:
Four years ago while in the employ of A. P. Perley & Co., Danvers, Mass.' we had a horse that became spavined during the first year of my stay with them, and remained so for four years, though we used every remedy we knew of, or could hear of, but of no avail. Some time during the fifth year, (for I was in their employ between five and six years), we were recommended to try Kendall's Spavin Cure, and after using it two months the Horse was cured, the enlargement having been entirely removed, and in my life, is more than I can understand, after three years of intense agony, such as no pen can describe, and the only relief I could get from the doctors here was an injection to give temporary relief. I certainly had no faith in anything, much less of a perfect cure, and it was only through my husband's desire I consented to have you—the sixth doctor that had attended me. If females only knew there was such a sure and speedy cure as yours for their ailments, how many thousands would go to you that have been like myself suffering years of agony Your grateful servant, ment having been entirely removed, and thus believing it to be a valuable medicine I fully recommend it to all who have occasion to use it. Respectfully, P. H. LYONS.

Kendall's Spavin Cure. Los Angelos, Cal., Feb. 26th, 1882. MESSRS B. J. KENDALL & Co.:—Having used your Kendall's Spavin Cure, I find it the best remedy for the horse that has ever been used on this coast. I have a fine colt that was kicked last Fall on the point of the shoulder and for three

SCROFULA

and all scrofulous diseases, Sores, Erysipelas, Eczema, Blotches, Ringworm, Tumors, Carbuncles, Boils, and Eruptions of the Skin, are the direct result of an impure state of the blood.

To cure these diseases the blood must be purified, and restored to a healthy and natural condition. AYER'S SARSAPARILLA has for over forty years been recognized by eminent medical authorities as the most powerful blood purifier in existence. It frees the system from all foul humors, enriches and strengthens the blood, removes all traces of mercarial treatment, and proves itself a complete master of all scrofulous diseases.

A Recent Cure of Scrofulous Sores. "Some months ago I was troubled with limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AVER'S SARSAPARILLA, of which I have now taken three bottles, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your medicine has done me.

Yours respectfully, Mrs. Ann O'Brian."
148 Sullivan St., New York, June 24, 1882.

All persons interested are invited to call on Mrs. O'Brian; also upon the Rev. Z. P. Wilds of 78 East 54th Street, New York City, who will take pleasure in testifying to the wonderful efficacy of Ayer's Sarsaparilla, not only in the cure of this lady, but in his own case and many others within his knowledge.

The well-known writer on the Boston Herald, B. W. BALL, of Rochester, N.H., writes, June

"Having suffered severely for some years with Eczema, and having failed to find relief from other remedies, I have made use, during the past three months, of Aver's Sarsaparilla, which has effected a complete cure. I consider it a magnificent remedy for all blood diseases."

Ayer's Sarsaparilla

stimulates and regulates the action of the digestive and assimilative organs, renews and strengthens the vital forces, and speedily cures Rheumatism, Neuralgia, Rheumatic Gout, Catarrh, General Debility, and all diseases arising from an impoverished or corrupted condition of the blood, and a weakened vitality.

It is incomparably the cheapest blood medieine, on account of its concentrated strength, and great power over disease. PREPARED BY
