and all scrofulous diseases, Sores, Erysipelas, Eczema, Blotches, Ringworm, Tumors, Carbuncles, Boils, and Eruptions of the Skin, are the direct result of an impure state of the blood.

To care these diseases the blood must be purified, and restored to a healthy and natural condition. AYER'S SARSAPARILLA has for over forty years been recognized by eminent medical authorities as the most powerful blood purifier in existence. It frees the system from all foul humors, enriches and strengthens the blood, removes all traces of mercurial treatment, and proves itself a complete master of all scrofulous diseases.

A Recent Cure of Scrofulous Sores. "Some months ago I was troubled with serofulous sores (ulcers) on my legs. The libubs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AYER'S SARSAPARILLA, of which I have now taken three bottles, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your

medicine has done me.
Yours respectfully, Mrs. Ann O'Brian."
148 Sullivan St., New York, June 24, 1882.

All persons interested are invited to call on Mrs. O'Brian; also upon the Rev. Z. P. Wilds of 78 East 54th Street, New York City, who will take pleasure in testifying to the wonderful efficacy of Ayer's Sarsaparilla, not only in the cure of this lady, but in his own case and many others within his knowledge.

The well-known writer on the Boston Herald. B. W. BALL, of Rochester, N.H., writes, June

"Having suffered severely for some years with Eczema, and having failed to find relief from other remedies, I have made use, during the past three months, of AVER'S SARSAPA-RILLA, which has effected a complete cure. I consider it a magnificent remedy for all blood diseases."

Ayer's Sarsaparilla

EARS FOR THE MILLION!

Foo Choo's Balsam of Shark's Oil Positively Restores the Hearing, and is the only Absolute Cure for Deafness Kuown.

This Oil is abstracted from peculiar species of small WHITE SHARK, caught in the Yellow Sea, known as CARCHARO-DON RONDELETII. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddhist Priest about the year 1410. Its cures were so numerous and MANY so SEEMINGLY MIRACULOUS, that the remedy was officially proclaimed over the entire Empire. Its use became so universal that for OVER 300 YEARS NO DEAFNESS HAS EXISTED AMONG THE CHINESE PEOPLE. Sent charges prepaid, to any address at \$1.00 per bottle.

HEAR WHAT THE DEAF SAY!

It has performed a miracle in my case. I have no unearthly noises in my head and hear much better.

I have been greatly benefited. My deafness helped a great deal—think another bottle will cure me.

KENT ST. CHARLOTTETOWN. August 21, 1883. To DR. BENNET, Halifax, N. S.:

DEAR SIR.-I wish to express to you, as far as I am able, my deep feeling of gratitude for the wonderful cure you have made of my case. To think that I am now quite well and able to attend to my family, and feel as well as ever I did in my life, is more than I can understand, after three years of intense agony, such as no pen can describe, and the only relief I could get from the doctors here was an injection to give temporary relief.

Learner in ly had no feith in a relief in the life i I certainly had no faith in anything, much less of a perfect cure, and it was only through my husband's desire I consented to have you-the sixth doctor that had attended me. If females only knew there was such a sure and speedy oure as yours for their ailments, how many thousands would go to you that have been like myself suffering years of agony
