At his daughter's in Somerset, Corn-wallis, on the 14th May last, Mr. Wm. Saunders, aged 871 years. He was the youngest and last to die of a family of four brothers and three sisters. He had also outlived his companion in life some years, and two sons who lived to mature manhood, and one daughter who died at the age of 18. His surviving children are two daughtser and two sons. One daughter the wife of Rev. W. G. Goucher of Fairfax, Vt., U.S., and the other Mrs. W. H. Patten, who cared for him in his last illness. Of his two surviving sons, one resides in San Jose, Cal., the other in Cornwallis, N. S. Brother Saunders' whole life till a few months before his death was spent in Paradise, N. S. There he was born and born again. There he was baptized by Rev. N. Viditoe nearly fifty years ago, and there he was buried in the family lot in the cemetery on the 15th May, 1883. His vigor both of body and mind was remarkably protracted, failing but little before his life ceased. He rested solely and firmly on Christ for salvation, and still a constitutional timidity entered into his religious life and hindered early attainment to the full assurance of hope, this was however reached nearer the close of his life. Then he could say of Christ "I am his and he is mine." "Precious in the sight of the Lord is the death of his Saints," Psalm cxvi. 15. Deacon Silas Jackson, this servant of God passed to his reward on Sunday, July 29th, 1883, from his late residence in Clarence, Annapolis Co., N. S., aged 76 years. During the revival of 1829 he was converted, and baptized by Father Ainsley, and for 54 years was a devoted member of the Wilmot Baptist Church, and for nearly that period filled the office of Deacon well. He did not covet the honors and emoluments of the world but God honored him with service and success. He trusted in God was attentioned. cess. He trusted in God, was strong in faith and acknowledged a Heavenly Father's hand. He was quick to discern wrong and ready to stand by the right. He valued integrity and was safely trusted. Many have been helped by his counsels and benefited by his admonitions and some bless God that they have tions and some bless God that they heard from his lips words which led to their salvation. He was a kind husband and a tender parent—a good neighbour and faithful friend—a pillar to the church and an Aaron to the pastor. Many will cherish his memory and be thankful for the grace God gave him. He leaves a sorrowing and invalid widow—who long enjoyed his companionship. May God support and comfort her—two sons—two daughters and two grand-children who daughters and two grand-children who while they sustain a great loss, have the benign influence of a devoted life followbenign influence of a devoted life following them and an example of genuine piety to emulate. "The memory of the just is blessed." Appropriate funeral services were conducted by the pastor Rev. J. T. Eaton, who chose for his text 2 Kings xviii. 5. A large circle of relatives and friends were present. May the Lord sanctify the event—especially to the church which is called to part with another of its deacons—the third within three years.—Com. HALL'S Vegetable Sicilian HAIR RENEWER

was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitators, but none have so fully met all the requirements needful for the proper treatment of the hair and scalp. HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparalleled success can be attributed to but one cause: the entire fulfilment of its promises.

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

Fremont, Ohio, Jan. 25th, 1881. DR. B. J. KENDALL & Co., Gents :-- I think it my duty to render you my thanks for benefits and profits which I have derived from your invaluable and far famed Spavin Cure. My cousin and I had a JAMES W. BEALL, Manager. valuable stallion worth \$4000 which had July 4. 2 m. a very bad spavin, and was pronounced by four eminent Veterinary Surgeons beyond any cure, and that the Horse was done forever. As a last resort I advised my cousin to try a bottle of Kendall's Spavin Cure. It had a magical effect, the third bottle cured it and the horse is as well as ever. Dr. Dick of Edinburgh, the emminent veterinary surgeon was an uncle of mine, and I take great interest in assisting his profession. Yours truly,

West Enosburgh, Vt., Feb. 15th, 1881. DR. B. J. It has completely removed the enlargement and stopped the lameness and pain. I have long known it to be excellent for horses, but now I know it to be the best liniment for human flesh that I am acquainted with. Yours truly, T. P. LAWRENCE.
