THE MOST SUCCESSFUL REMEDY lent for human flesh. READ PROOF

Fremont, Ohio, Jan. 25th, 1881. DR. B. J. KENDALL & Co., Gents :- I think it my duty to render you my thanks for benefits and profits which I have derived from your invaluable and far famed Spavin Cure. My cousin and I had a valuable stallion worth \$4000 which had

a very bad spavin, and was pronounced by four eminent Veterinary Surgeons beyond any cure, and that the Horse was done forever. As a last resort I advised my cousin to try a bottle of Kendall's Spavin Cure. It had a magical effect, the third bottle cured it and the horse is as well as ever. Dr. Dick of Edinburgh, the emminent, veterinary surgeon was an anybody else, and whose curative effects emminent veterinary surgeon was an uncle of mine, and I take great interest in assisting his profession.

Yours truly, JAMES A. WILSON. Civil Engineer.

### KENDALL'S SPAVIN CURE.

West Enosburgh, Vt., Feb. 15th, 1881. DR. B. J. KENDALL & Co., Gents:— Several months ago I injured my knee joint which caused an enlargement to grow the size of a large walnut and | Sole Agents for America. caused me very severe pain all the time for four or five weeks, when I began to use Kendall's Spavin Cure with the most satisfactory results. It has completely removed the enlargement and stopped the lameness and pain. I have long known it to be excellent for horses, but now I know it to be the best liniment for human flesh that I am acquainted with. Yours truly, T. P. LAWRENCE.

### KENDALL'S SPAVIN CURE

Is sure in its effects, mild in its action as it does not blister, yet it is penetrating and powerful to reach every deep seated pain or to remove any bony growth or other enlargements, such as spavin splints, curbs, callous, sprains, swellings and any lameness and all enlargements of the joints or limbs, or for rheumatism in man and for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mild and yet certain in its effects.

Send address for Illustrated Circular which we think gives positive proof of its virtues. No remedy has ever met with ledge, for beast as well as man.
