We perceive by the Watchman that two new Divisions of the Sons of Temperance have been recently organized. One at East Dover with 27 charter members, M. P. Richardson, Worthy Patriarch, to meet on Wednesday evenings, and the other "Golden Light," at Indian Harbor, with 25 charter members, Peter B. Inor is the Worthy Patriarch, to meet on Saturday evenings. Mr. Thos. Hutchings is doing good work as lecturing agent. During the past month he has held 11 public meetings with an attendance of 732 persons. He has formed two Bands of Hope with 177 members present. Obtained six subscribers to the Watchman. Travelled 213 miles and collected \$16.49.

The Supporters of the Sailors' Home had their Annual Meeting on Thursday evening at the Institution. This is one of our Halifax benevolent institutions that is doing great good in a quiet way, and at a comparatively small cost from subscribers—less than \$500. The Report gives the total number of men admitted to the Home during the year as 890, viz.: 15 masters, 55 mates, 33 second mates, 12 engineers, 96 cooks and stewards, 530 A. B., 71 O. S. and 58 fireman. Of the above, 540 have shipped. The remainder returned to their homes or paid their passage to other ports.

The number of shipwrecked men is in excess of the number last year, being: British, 182; American, 4; Norwegian, 26; Spanish, 2; German, 1; total, 214. Very few British or Norwegian wrecked seamen were sent home at the expense of the respective Governments. There was abundance of employment for all, being enabled to earn from \$20 to \$30 going across, instead of going as passengers.

Services in the Bethel have been held under the auspices of the "Christian Mission to Seamen." Mr. John Grierson missionary. The Sabbath evening meetings have been well attended both by the inmates of the Home and those from vessels in the harbor.

Every alternate Thursday evening there is an entertainment with the magic lantern.

The amount deposited in the Home Savings Bank this year was \$1,345, and the amount withdrawn \$912. The sum of over \$4,000 was left with the manager for temporary safety, and \$2,294 forwarded by him to seamen and their families in seventy-five different drafts and orders. There is now on deposit at 4 p. c. per annum the sum of \$1,125.24 belonging to seamen, who, with the exception of four, are men before the mast.

Hill, Hon. A. G. Jones, W. H. Neal, Jarius Har, with Dr. A. Lawson as physician and surgeon, and H. F. Clark, treasurer.

A PRAISEWORTHY OBJECT.—"None name it but to praise." This is true of that unsurpassed remedy, "Hagyard's Yellow Oil." It cures pain and inflammation, whether from sprain, burn, bruise, or frost bite, lame back, rheumatism, neuralgia, sore throat, croup, deafness, and is for internal and external use.

FLIES AND BUGS.—Flies, roaches, ants, bed-bugs, rats, mice, gophers, chipmunks, cleared out by "Rough on Rats," 15c.

WOLFVILLE NOTES.—The schools closed this year for their winter vacation on the Thursday before Christmas, and will re-open on the 10th and 11th of January. The term just ended has been in many respects a prosperous one. The attendance at the College is encouraging, and the students as a whole are of a superior grade. Very few are what are termed general students or partial course men, nearly all doing manfully the regular prescribed work leading to the B. A. degree.

The Senate promises to be even fuller next year than it was last, all the rooms, it is reported, being engaged. This is a hopeful outlook for this department of our educational work, and reflects credit to the management of the institution.

The attendance at the Academy, we believe, has been somewhat higher than it was last year. The building set apart for the accommodation of Academy Students and others have been accommodated in the village and Chipman Hall. A new building is being erected for Academy students in very much needed.

The College is giving very little income this year. The Convention Fund. The church must be neglecting their duty in a matter, for the College Treasurer is himself unable to pay the Professors' salaries as they come due. With the present high rates of living and the salaries given to the teaching staff Acadia, it is very important that oblations should be promptly met.

Junior Exhibition.—Junior Exhibition took place in the Assembly Hall on the last evening of the term, according to the following Programme:

Prayer by Rev. T. A. Gins. The State and Higher Education, by H. Bert Ellis, Fredericton, N. B. The Socratic Philosophy by E. H. Sweet, Newport, N. S. The Debt of Humanity to Shakespeare, by F. R. H. St. John, N. B. The Newspaper as an Evil, by B. A. Lockhart, Lockhartville, N. B. Modern English, by F. Clinch, Clinch's Mills, N. B. Imitation and Invention, by B. Marshall, Lawrenceton, N. B. Historical Portraiture, by Kelly, Collins, N. B. Addresses.—National Anthem. The Orations were very high spoken of. They evinced much maturity of thought and ripeness of judgment, giving indications of the thorough training given by the present Course at Acadia.

Excused.—One of the boats engaged in diving for goods near the wrecked of Cedar Grove on Saturday, brought the body of a man, but not recognized.

A SECRET FOR THE LADIES.—The secret of beauty is pure blood. Eruptions and all blotches that disfigure the face, may be quickly cured by Burdock Blood Bitters. Annie Heath, of Pictou, certifies that she was cured by this remedy, after suffering for 12 years.

KIDNEY DISEASE.—Pain, Irritation, Retention, Incontinence, Deposit of Gravel, &c., cured by "Buchu-pain," \$1.

We had the very unusual phenomenon of an earthquake on Sunday night, continuing for about a minute. In Dartmouth it was at just five minutes after 10 o'clock, but in Halifax it is said to have been later by half-an-hour or more. It caused a shaking of the houses that alarmed many, and it is said resulted in the destruction of plates and dishes in some houses, but we have not heard of any more serious damage.

Last Wednesday, Dec. 27th, Mr. W. J. Davidson, a school teacher from Clements, who had formerly taught at Bear River, came to see some old friends. He seemed in good health and spirits. Went to Mr. Kelly's to spend the night. Retired at about 11 o'clock. The next morning as he was about to get up to breakfast Mr. Kelly went to call him and found him dead in bed. At the inquest a post mortem examination was held, but no apparent cause for death was found. W. E. H.

POPULARITY.—Why they are popular. The reason that National Pills are so universally popular is because they are certain in their action, mild and painless in their operation, and never leave the bowels constipated. They are sugar-coated, and contain no mineral poison.

DECLINE OF MAN.—Nervous Weakness, Dyspepsia, Impotence, Sexual Debility, cured by "Wells' Health Renewer," \$1.

A REMARKABLE FACT.—It is a remarkable fact W. A. Edgers, of Frankville, who was so far gone with liver and kidney complaint that his life was despaired of, was cured with four bottles of Burdock Blood Bitters. At one day he lay a fortnight without an operation of the bowels.

- 1. The United Methodist Church.
2. The Methodist Church.

The Senate of the Toronto University have again appointed Professor J. G. Schurman, M. A., of Halifax, one of the Examiners of the University.

A despatch from Ottawa says the reports of the last Census are now in the hands of the Government printers. The Government has ordered that only a limited number be printed. There is much surprise expressed at such an order, as the Census returns are of the utmost value to the country, and unlike other blue books, are not issued yearly. When the present supply is exhausted, eight or nine years must elapse before new census reports can be laid before the people. The report is one which should be in the educational schools of the country, but the present supply would fall far short even of supplying the members of Parliament and their friends.

A WONDERFUL CHANGE.—Rev. W. E. Gifford, while pastor of M. E. Church, Bothwell, suffered from chronic dyspepsia so badly as to render life almost a burden. Three bottles of Burdock Blood Bitters cured him.

Yours respy, BROWN & WEBB, WHOLESALE DRUGGISTS, etc., etc. N.
