HONOR TO WHOM HONOR IS DUE. HOLMAN PAD COMPANY, Halifax, N. S. WALLACE BRIDGE, Cumberland Co., 17th February, 1882. GENTLEMEN, - I have much pleasure in informing you of the benefit I have received from wearing one of your Pads. I was induced by a friend, last December, to give one a trial. Since then my health has improved so much that I have gained twenty-two pounds in weight. Under these circumstances, I feel that I am obligated, not only to you but to every person suffering as I did before I commenced to wear your Pad, to endeavor, as far as I possibly can, to help to place such a remedy within the reach of every sufferer. Yours truly, LAWRENCE MCKIN, Postmaster.

HERRING COVE, April 8, 1882. HOLMAN PAD COMPANY, 119 Hollis St., Halifax. DEAR SIRS, - My wife has been ill for about THREE years, and attended by the best physicians without receiving the least benefit therefrom; but since wearing your Pads, she is QUITE WELL. With deepest gratitude and with the view of benefiting others, I remain, Yours obediently, JOHN KEATING. April 19.

TO DR. BENNET AND LEWIS, 119 HOLLIS ST., HALIFAX. DEAR SIRS, - I desire to express my feelings of profound gratitude to you who have helped me so much by the use and application of your wonderful medicine known as your Absorbent Pads and Plasters. I was sick about two years, and spent a large sum of money with Physicians but received very little benefit until I tried your Absorbent treatment. When I commenced using it this summer I could scarcely walk across the floor, and now I can walk a mile at a time, and attend to household duties much better than I could before and feel only too glad to recommend this truly great treatment to any person or persons who may be afflicted as I was. You are at liberty to make any disposition of this note you may deem proper. MRS. R. HIBBARD, Hebron, Yarmouth. This treatment can be applied effectively without interview where full particulars of case are sent by letter. Nov. 21.

KENDALL'S SPAVIN CURE. THE MOST SUCCESSFUL REMEDY EVER discovered as it is certain in its effects and does not blister. READ PROOF BELOW. ADAMS, N. Y., Jan. 30, 1882. DR. B. J. KENDALL & Co., Gents. - Having used a good deal of your Kendall's Spavin Cure with great success, I thought I would let you know what it has done for me. Two years ago I had as speedy a colt as was ever raised in Jefferson County. When I was breaking him, he kicked over the cross bar and got fast and tore one of his hind legs all to pieces. I employed the best farriers, but they all said he was spoiled. He had a very large thorough-pin, and I used two bottles of your Kendall's Spavin Cure, and it took the bunch entirely off, and he sold afterwards for \$1800 (dollars). I have used it for home sprains and wind galls, and it has always cured completely and left the leg smooth. It is a splendid medicine for rheumatism. I have recommended it to a good many, and they all say it does the work. I was in Witherington & Kneeland's drug store, in Adams, the other day and saw a very fine picture you sent them. I tried to buy it, but could not get it; they said if I would write to you that you would send me one. I wish you would, and I will do you all the good I can. Very respectfully, E. S. LYMAN.
