in assisting his profession.

West Enosburgh, Vt., Feb. 15th, 1831. DR. B. J. KENDALL & Co., Gents :-Several months ago I injured my knee joint which caused an enlargement to grow the size of a large walnut and caused me very severe pain all the time for four or five weeks, when I began to use Kendall's Spavin Cure with the most satisfactory results. It has completely removed the enlargement and stopped the lameness and pain. I have long known it to be excellent for horses, but now I know it to be the best liniment for human flesh that I am acquainted with. Yours truly, T. P. LAWRENCE.

KENDALL'S SPAVIN CURE Is sure in its effects, mild in its action as

it does not blister, yet it is penetrating and powerful to reach every deep seated pain or to remove any bony growth or other enlargements, such as spavin splints, curbs, callous, sprains, swellings and any lameness and all enlargements of the joints or limbs, or for rheumatism in man and for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mild and yet certain in its effects.

Send address for Illustrated Circular which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.
