OCTOBER 24, 1883.

#### CHRISTIAN MESSENGER.

In answer to an enquiry from Cape Breton, we may reply that we know nothing of the person named Jenkins, who is there professing to be a regularly ordained Baptist minister.

WE understand that the moon quietly endured an eclipse on Tuesday morn ing of last week. We were not among the spectators.

# Aews of the World.

Much excitement has been created in London by statements in the despatches from America that Canadian detectives had unearthed an unmisin this takeable clue to a plot of dynamiters to he same murder Lord Lansdowne, the new Governor-General of Canada, when he lands at Quebec. The trial of O'Donnell is progressing.

On Wednesday last the Grand Jury ave had on, and charged him with the murder of James one fatally. ssembly. Carey. O'Donnell pleaded not gnilty leration. The trial was postponed to Nov. 21st The luxuries of food of the best kind re seems are daily sent to O'Donnell from a e of the tavern adjacent to the prison. still furthe Wharncliffe Carlton Colliery, near

## Nova Scotia.

Some excitement was caused in the city on Wednesday last, by the discovery of two men having concealed in their room in the Parker House, two valises containing about a hundred pounds of extra powerful dynamite, and subsequently at the Railway Depot, belonging to them, a rubber suit for swimming, and a clock arranged as an infernal all knowledge of each other, but on both being arrested without the knowledge of the other, and meeting in the Police Lock-up, they shewed themselves well acquainted. They had both been other parties here and elsewhere. Their names are William Brecken and James. Holmes, It is supposed they had designs on H. M. S. Canada having Prince George on board, or some of the other

been Rector there for about thirty eight years. He was in his usual good health up to a few minutes before his death. He was universally esteemed.

Mr. Hezekiah Bull, of Port Hood, had his leg broken on Saturday night by his horse stumbling and falling upon it.

To-morrow the vote will be taken in Cumberland County on the adoption of the Canada Temperance Act. The Watchman says :- " Every friend of temperance and good order should poll his vote for the Act. The new license law will not interfere with the working of the C. T. Act, but it will help put it in force. The C. T. Act will prevent the granting of licenses, and the machinery of the new license law can be used against the illicit traffic."

The Methodist tea meeting at Hantsport on the 11th inst. realized \$400. A seam of coal of good quality has been discovered by Mr. Daniel McLeod, of Spring Hill. He commenced sinking a trial pit on it during last week, and has got 4 ft. 6 in. of good coal, although not all through the seam. This seam is about one mile South of the Spring Hill

hands. Its pay roll is about \$1,000 a week. The average rate of wages has

A number of porpoises came into Windsor harbor on Tuesday last, and were vigorously chased by the steamer Scotia and several boats. Gun-firing and active rowing and sailing were indulged in for two hours, resulting in the capture of one of the fish. During Tuesday night and Wednesday morning crowds were engaged shooting and capturing the fish. All kinds of rumors are afloat as to the result, but at least a hundred or two of dead porpoises and black fish are scattered from Hantsport to the head of the tide. Mr. Churchill alone has secured 171 and lost 40.- Windsor Mail.

The remains of the late Mrs. Dakin were found on a marsh about four miles below Annapolis town on Tuesday last. The head, both feet and part of one arm and leg were gone. The remains were of Stephens & Figgures. He was more identified by a brooch and part of the dress still remaining on the body.

Truro was visited by a destructive fire on Thursday last. It broke out in the barn in rear of Dr. Bent's property, recently purchased by the Government
