Deaths.

At Digby, Dec. 2nd, Henry V. White, aged 72 years. Bro. White was baptized by the late Father Manning, in or about the year 18-3, and for many years took a prominent part in the service of song and other work of the Bilingual Church. About 12 years ago he removed to South Range, Digby Co., and about six weeks ago came with his wife to Digby to spend the winter with his son; here after an illness of a few days he died. He maintained his Christian character to the last, and was ever pleased to speak of his Saviour, for whom fifty years had not lessened but rather increased his love. He left an aged widow, five children and a number of grandchildren to mourn their loss, but also to rejoice over his gain.

Drowned off Point Prim, Bay of Fundy, on Monday morning, Dec. 3rd, from the wrecked Dominion S.S. Princess Louise, Henry Gray, son of Alex. Gray, of Maitland, in the 26th year of his age.

At Lunenburg, on Tuesday, 11th inst., Robert Lindsay, Esq., in the 56th year of his age.

At the Provincial and City Hospital on the 14th inst., Herman Hendrikson, aged 24 years.

At Lower Granville, on the 14th Nov., last, at the residence of her daughter, Mrs. James Anthony, Mrs. Laura widow of the late Enoch Merritt, aged 87 years. This aged sister was baptized many years ago, by Rev. Joshua Cowgill, and for more than a half a century Christianity was the controlling principle of her life. She was a guileless, good woman, and has calmly fallen asleep in Jesus. Like a shock of corn fully ripe, she has been "gathered into the granary of God."

"The memory of the just is blessed." Her funeral was largely attended and conducted greatly to the satisfaction of the mourners by Rev. J. C. Saunders of Digby. —Com. by I. W.

At Hillsburg, on the 3rd August last, after a lingering and extremely painful illness, Zebuliah Crosscup, Esq., aged 72 years. This dear brother was baptized by Rev. J. A. Moore, a good many years ago, and was held in high esteem in the community as a consistent Christian and valuable citizen. He died of Cancer in his 72d year. His son died in his face and suffered excruciating agony, but his afflictions were borne with remarkable submission to the divine will. His Saviour greatly helped him to bear up cheerfully under his sufferings. He leaves a widow to whom we tender our heartfelt sympathy, and many kindred and friends to mourn his death. —Com. by I. W.

SOLE AGENT FOR THE

AYER'S
Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so tried by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

Horace F. RICHARDSON, BOSTON.

In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up, tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me.

Your grateful servant,

MRS. MARY MORRISON.

Croup. —A Mother's Tribute.

"While in the country last winter my little boy, who three years ago was taken ill with croup, it seemed as if he would die of strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and soon relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me.

Mrs. EMMA GEDNEY.

139 West 12th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried.

A. J. CRANE."

Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from bronchitis, and after trying many remedies with success, I was cured by the use of AYER'S CHERRY PECTORAL." JOSEPH WALDEN."

Bethala, Miss., April 5, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.

Constant users will find our No. 4 size (always the most economical size to buy) now much larger than formerly, thus materially lessening the expense.
