Deaths.

aged 45 years. In early childhood our departed sister received an injury of the spine, which resulted in her being an invalid for life. Her sufferings often intense, were unremittent. At the age of 23 she was baptized by the late Rev. W. Hall, and united with the Freeport Baptist Church of which she continued a consistent member until the close of life. Her end, like that of her brother (Thomas Morrell, Lic., of much promise,) was a grand triumph of grace, and we who heard her last utterances, can never forget them while memory keeps her throne. Like the sunset—like the dying of a vesper—her happy spirit passed away to swell the ranks of the glorified, from the midst of a sorrowing group who have midst of a sorrowing group who have lost many dear friends, but who miss most of all that ever-patient invalid whom God had chosen and purified in the furnace of affliction.—R. H. BISHOP.

At Chester, April 7th, of consumption, William A., aged 29 years, son of Wmand Rachel Pulsifer. Bro. P. was a young man greatly beloved at home, and highly respected in the Baptist church, of which he had been a member more than eight years. than eight years. As long as health permitted he filled his place in the house of God, and when no longer able to attend the public worship of God, he rejoiced exceedingly in Christ as his Saviour; and talked much of Him and His preciousness to those who visited his room. William lived and died enjoying the care and compassion of father and mother— and in the midst of many brothers and sisters. May his example be remembered and followed by them all-at least, in so far as he followed Christ. Willie often said to me and others, also; "I have no words to tell you the preciousness of Christ to my soul." "Blessed are the dead who die in the Lord" etc.—Rev. xiv. 13.-J. F. KEMPTON.

At East Dalhousie on July 20th Mr. At East Dalhousie on July 20th Mr. Robert Wilson, aged 86 years. Brother Wilson, professed faith in Christ over fifty years ago, and was baptized by the sainted Ainsley. He was a member of the East Dalhousie Church in 1846, was then chosen deacon, and held that office until death. "For him to live was Christ, and to die was gain." Death had no terrors to our brother, Christ was his life. In the death of our brother the children have lost a kind father, and the community a wise counsellor, and the church a consistent member. Funeral sermon preached by Rev. W. A. J. Blakeney from 2 Tim. iv. 7-8. W. J. B. 2 Tim. iv. 7-8.

HOW GREAT THE CHANGE.-It is comparatively a short time since the introduction to the profession and the public of that valuable preparation known as BUDD'S CREAM EMULSION, and which to day, stands higher than any other known compound in British North America. It has been universally adopted by the profession who pronounce it excellent, and another, and the highest, recom-mendation it could obtain that it is the ONLY ONE USED in the HOSPITAL.

KIND WORDS. WHAT OTHERS THINK OF BUDS AND BLOSSOMS.—The following is from The Christian at Work, a first-class religious weekly, published in New York:
"In the City of Halifax, Nova Scotia, is published a monthly magazine called Bubs AND BLOSSOMS and edited by J. F. Avery. Each number contains forty pages. plentifully and handsomely illustrated, and at 75 cents a year is certainly one of the cheapest publica-

tions extant. But better still, it is one of the best. Its pages are full of the gospel spirit, excellent temperance sketches, missionary intelligence, short stories, household hints and suggestions, all entertaining clean and wholesome literature, suitable for the home and family circle, and calculated to promote purity and knowledge among its readers. We do not know what the circulation of this excellent publication may be, but of this we are sure, it ought to be double whatever it is, for it is just the right kind of reading to be put into the hands of young folks; bright, cheery, hopeful and strong, without cant or sickly sentimentality. We hold it as an indisputable truism that when an opportunity offers to promote the circulation of such literature among the young it becomes a religious duty to do so. Send to the publisher for a specimen copy, and you'll find that we have not said onehalf the good things we might concerning it."

We will send back numbers till the end of 1884 for 50 cents, or for \$1.00 will take new names from date until end of 1885. So confident are we you will like it, we offer it for 25 cents remainder of the year. Send 6 cents for specimen and opinions
