One week ago we reported the death of two young people. This time it is an aged brother in the Lord—Mr. John Webber. He had been ill several weeks, suffered much and died on 20th inst., aged 80 years. Bro. Webber often feared as he viewed death in the distance: but when the final hour came all was joy and peace. He was "more than conqueror."

GRIP'S

Full figure Portraits, in Colors, of Prominent Canadians.

GIVEN AWAY TO ALL THE Try a pair of our Celebrated SUBSCRIBERS TO "GRIP.

No. 1 .- Rr. Hon. Sie John A. Mas-DONALD, was issued August 2nd, 1884. No. 2.— Hon. OLIVER MOWATT, was asued September 20th, 1884. No. 3.—Hon. EDWARD BLAKE, was issued October 18th, 1884.

No. 4.-MR. W. R. MEREDITH, will be issued November 15th, 1884. No. 5.-Hon. H. MERCIER, will be ssued December 20th, 1884. No. 6.—How. J. Norgeav, will be issued January 17th, 1885. No. 7.—Hon. SIR H. L. LANGEVIN, will be issued February 14th, 1885.

These plates are printed in colors, on Ane plate paper, and will be issued monthly to our subscribers, free of charge.

In these sketches an effort is made to hit off not only the facial expression, but the general figure as well, each subject being given in some characteristic pose. Wherever possible the drawing will be made from life, so as to ensure accuracy in these respects. At the same time a staid matter-of-fact portrait is not aimed at, but that far more attractive and unique thing -a CARICATURE embracing a LIFE-NESS. Each portrait is accompanied by a brief biographical notice written in a spirit to correspond with the picture.

When we call upon Canadians to ENCOURAGE this enterprise we are after all not asking them to not anything vast. They already have in GRIP abundant value for \$2 per annum, and as has been already stated the GALLERY, which alone is worth more than the amount of subscription, is a free gift. All we

of subscription, is a free gift. All we request therefore is that those who are not already upon our list shall subscribe for GRIP. We decline to argue as to whether \$2 per year can be spent in any better way intellectually. There is no question to argue. The intelligent citizen of Canada who has that amount per year to invest for his mental pleasure may safely take our word on this point, he will certainly find nothing to buy for the money which will be so satisfactory as a receipt for a subscription to GRIP.
