Minutes of the Meeting of the 68 70 Woman's Missionary Aid Societies, 13 00 held in Moncton, Aug. 25, 1884. 16 50

Mrs. J. E. Hopper, President of the pied the chair. After the reading of the scriptures, prayer was offered Mrs. J. W. Manning and Mrs. John March.

Mrs. M. W. Williams, of Wolfville, was then introduced to the meeting and in a very clear and interesting manner, presented the subject of organic Union between the Societies of the three Provinces, and moved the following resolution :--

Whereas, We all feel the necessity of unity in our methods of work, in order that we may retain that oneness of spirit so acceptable in the sight of Him whose workers we are,

Therefore resolved, That we the members of the Woman's Missionary Aid Societies of Nova Scotia, New Brunswick and Prince Edward Island do now form ourselves into one Union.

This was seconded by Mrs. Churchill, and spoken to by the following ladies: Mrs. E. M. Saunders, Mrs. A. E. Killam, Mrs. William Allwood, Mrs.John March, Mrs. G. N. Ballentine, Mrs. J. W. Manning, Mrs. Charles Spurden, Mrs. C. H. Martell, Mrs. J. F. Masters, Mrs. James E. Masters, Mrs. D. F. Higgins, Mrs. 5 00 Christie, Mrs. P. R. Foster, Mrs. R. H. 20.86 Emmerson; all speaking in favor but 15 00 one. The motion was then put and 2 00 unanimously sustained. 3 00

the ensuing year, which had been selected by the Executive Committee from estimates of the Foreign Missionary Board, as follows: Salary of Missionary lady ... \$400 00

Native teachers and helpers: 500 00 Traveling expenses outward. 500 00 " homeward, 500 00 Schools. 325 00

\$2525 00

On motion the report was adopted. The following resolution was moved by Mrs. Churchill:

Whereas, The keeping of accounts of Missionary Bands, Sunday Schools, and other specialties entails a great amount of extra labor on the Secretary of the Foreign Missionary Board,

Therefore resolved, That we request all Mission Bands, Sunday Schools, and private individuals in our Provinces who wish to devote their money to any Central Board of New Brunswick, occu- specific object, on the Foreign field, to send their money direct to the Treasurer of the Union, with the object for which it is donated specified.

> This was unanimously adopted. Miss Wright was then called upon and spoke her farewell to the Sisters.

> Miss Hamilton was also called upon and responded.

Mr. Craig one of the Upper Canadian Missionaries was in the meeting, and at the close spoke of the need of Woman's work on the Foreign field, and exhibited photos of missionary group, and of some of their buildings.

Collection was taken, and the meeting closed by singing a verse of the missionary hymn.

to the public, it is not very likely to be published before next Easter. We do not see why it is to be submitted to Convocation any more than to the Wesleyan Conference or Autumnal Session of the Congregational or Baptist Union.—Freeman.

Pasteur Cretin is not far wrong, we think, when he claims for the Baptist the best position when dealing either with the halting Romanist or the avowed sceptic, or even in meeting the open attacks of the Romish priests, the Pædobaptist being met on sufficiently separate ground, nor is his position well covered by an appeal to the New Testa ment Scriptures.

The Rock says that although the revision of the Old Testament, properly so called, is finished, the book will not be published this year, as it has been announced in some quarters it would be. There is good reason, however, for expecting its appearance early in 1885. In the meantime, it is well not to accept as necessarily truthful any reports as to the alterations which have been made. The revisers have kept their own counsel, as was their duty, and the public must wait as patiently as they may till the results of their work are formally disclosed.

small sum for other things. ted to Convocation before its issue

Nine Mission Bands have reported themselves, and a good record they give but we should be sorry to know that these are the only ones in our Province, as, from the good work they have done, we see what a power the children hold, and what they may accomplish when deeply interested and wisely directed -this last item perhaps the more important of the two. These nine helpers to our cause alone, report 470 members. Four life members have been added to the list this year-Mrs. G. Botsford Smith and Mrs. W. D. Corbett, of Amherst, Mrs. C. H. Martell, of Onslow and Miss Jessie E. Chipman, of Bridgetown. In the spring of this year, a Box of articles for the use of the missionaries was sent from their numerous friends in these Provinces. It was received by them in June, and gave much satisfaction to all concerned.

In October of last year our Missionary, Miss Hammond was married to Rev. I. C. Archibald leaving us without a representative in Telugu. But not for long did this sad state of things continue. The Lord put it into the heart of a young sister to offer herself to fill up the vacancy. Miss Wright came before the N. S. Central Board, was subsequently accepted by For. Miss. Board, and during the past summer has attended the Associations and visited some Societies, thereby creating a deeper interest in Missions, and making for herself hosts
