Deaths.

At Marshall Town, March 6th, Cynthia Adeline, daughter of William Gaval, aged 30 years. She believed in the Lord Jesus Christ, and died in the triumphs of faith.

At Tiverton, April 13th, after lingering illness, J. Handford Stark, aged 30 years, leaving a wife and three young children to mourn their loss. He died with humble faith in Christ.

At Springfield, March 15th, Alma Golda Grimm, aged 8 years and three months, daughter of James and Lenora Grimm. Though young in years, she had a knowledge of heaven and Christ. The questions she asked before her death showed that Jesus was leading her infant mind.

At Westport, on the 14th inst., Chester, infant son of Rev. S. McC. and Eva Black, aged 1 year and three days.

At the residence her son-in-law, Great Falls, N. H., March 17th, in the 67th year of her age, Mrs. Jane Whitman, widow of the late Asaph Whitman, of New Albany, Annapolis Co., N. S. Sister thirty years ago, and was baptized by Rev. Wm. Rideout; a consistent Christian, walking in the ordinances of the Lord blameless. Her constant theme was Christ, she loved his courts, his service, and his Church. When the messenger came she was ready. Her faith was strong in God. She sleeps in Jesus.—Col. by Rev. W. J. Blakeney.

On the 12th ult., Elizabeth, wife of Deacon Donald MacGregor, fell asleep in Jesus, aged 69 years. She was born in Perthshire, Scotland. Her father (Mr. Stewart) with his family moved to East Point, Prince Edward Island, in 1835. There she professed faith in Christ, and was baptized by the late Rev. John Shaw. She was married in 1838, and came to South River Lake, Antigonish Co., N. S., where she lived a Christian life until called to the heavenly home. She has been a member of the Goshen Baptist Church since it was organized. Through her religious convictions differed from nearly all her neighbors, true friendship between her and all of them was mutual. She had the pleasure of seeing her eight children trusting in Christ, and members of the Baptist Church. Two of them are Baptist ministers, P. S. MacGregor, now stationed at New Glasgow, and D. R. MacGregor, now studying at Morgan Park, Chicago. She leaves a large circle of friends here and at East Point to mourn their loss. Her husband and all the family greatly miss her cheerful presence in the home below, but they are cheered by the hope of a glorious reunion in the home above.—Com.

At Hantsport, on the 6th inst., Mrs. Kirkpatrick, aged 88 years. For over 60 years she was a most earnest and consistent member of the Baptist Church. She looked forward to death without a fear, knowing that below, but they are cheered by the hope of a glorious reunion in the home above.—Com.

At Pleasantville, on Sunday 13th inst., Alexander Hubley, aged 70 years. He was suddenly called away.

At the same place, on the 14th inst., beloved wife of Caleb Sarty, after a brief illness, aged 23 years.

STOP AND THINK

before you buy all the extensively advertised nostrums of the day which have made no genuine cure, and have nothing to commend them to the public but false praise from the vendors, who instead of manufacturing an article of worth which would cost money, give to agents immense profits to secure their sale and the sick who have been induced to try them only find out when too late that they are really no better and often worse than before using them, in the meantime the proprietors have

CAREFULLY
laid away a fortune and in a short time the very name ceases to be seen or heard

GATES' LIFE OF MAN BITTERS

may be relied on as a medicine of great merit, and has made some of the most remarkable cures ever known and has never been introduced into any locality where it has not given evidence of great value to the suffering sick. Hundreds of cures have been made in the provinces with this medicine in connection with the INVIGORATING SYRUP, and hundreds of certificates from good citizens and the clergy many of which are under oath, cannot fail to convince the most sceptical of their great curative properties.

Don't be Deceived,
use the medicine that has been tested for over forty years and will certainly cure you. So positive are we of their power to cure that we offer a reward of \$100.00 for a case they will not cure or help, and \$100.00 for a false statement made by us of any certificate of cure, this medicine has not accomplished.

Sold everywhere at 50 cts. per bottle 12 bottles for \$5.50.

UNFERMENTED WINE,
Prepared for Sacramental and Dietetic Use
By F. WRIGHT, Manufacturing Chemist
Kensington High Street, London, W.

"This WINE is guaranteed to be the vice of the finest grapes of the Cote d'Or, Andalusia, and the Medoc. It is perfectly free from Alcohol, and is guaranteed to be Pure Grape Juice. It has stood the test of 22 years' continuous sale in every climate, and is now used in upwards of 1500 Churches of all denominations. The mode of manufacture is a slight modification of a well-known ancient practice, and effectually preserves the grateful flavor and the rich nutritious qualities unimpaired. It is therefore admirably adapted in cases of debility and fever, in which the stomach is too weak to digest other food. Children suffering from feeble ailments drink it with avidity, even when all other food has been refused."

JOHN M. HODGES, Esq., M. D., F. R. C. S.,
Public Analyst for Antrim County and Belfast Borough.

"I have chemically examined the bottle of Wright's Unfermented Wine (taken by my son from the stock held by Mr. Wright's Belfast Agent), and find that it is free from alcohol, and contains the constituents of grape juice. When mixed with water it will prove an agreeable beverage."

FROM REV. JOHN BURWASH,
Formerly Professor at Mount Allison, Wesleyan College, Sackville, N. B.

Sackville, May 23rd, 1882.

"I have just finished the analysis of the Wine sent. It is necessarily a slow process, some of the steps taking two days. This Wine contains NO ALCOHOL, nor any deleterious ingredient. * * * It can be relied on as wholesome, not having any intoxicating properties. * * *

UNFERMENTED WINE,
Prepared for Sacramental and Dietetic Use
By F. WRIGHT, Manufacturing Chemist
Kensington High Street, London, W.

"This WINE is guaranteed to be the vice of the finest grapes of the Cote d'Or, Andalusia, and the Medoc. It is perfectly free from Alcohol, and is guaranteed to be Pure Grape Juice. It has stood the test of 22 years' continuous sale in every climate, and is now used in upwards of 1500 Churches of all denominations. The mode of manufacture is a slight modification of a well-known ancient practice, and effectually preserves the grateful flavor and the rich nutritious qualities unimpaired. It is therefore admirably adapted in cases of debility and fever, in which the stomach is too weak to digest other food. Children suffering from feeble ailments drink it with avidity, even when all other food has been refused."
