The Sydney Reserve Mine is working briskly, owing to a settlement of the wage question on Saturday last.

Work was resumed in the Drummond mine, Pictou Co., last Monday, the fifty safety lamps, whose new arrival has caused considerable delay, having been received from England.

At Digby on Tuesday, the 29th ult. two boys named Gossan and Everett were found guilty of breaking open a mail bag while being carried from St. Mary's Bay Post Office to the Plympton railway station and feloniously taking therefrom a letter containing ten dollars. They are remanded for trial at the next term of the Supreme Court.

QUEEN'S COUNSEL.—Some of our Nova Scotia lawyers have received the distinction of Q.C. The names appear in the Gazette as follows: H. B. Grantham, of Yarmouth; B. H. Eaton, E. D. King, and B. G. Gray, of Halifax; H. H. Bligh, of Antigonish, and J. P. Chipman, be so. of Kentville.

Mr. Ralph Eaton well known as a successful teacher in the Morris Street School of this city is announced in the Western Chronicle as having purchased from J. W. Margeson of Cornwallis one of the best farms in Kings County for **\$**10.000.

W. Darley Bently, has succeeded in organizing a new company to be known as the Montreal, Halifax and Boston Steamship Company. It is the intention of the promoters to maintain a line of steamships between Montreal and Boston, calling at Quebec, Gaspe, Charlottetown, ports on the gut of Canso and Halifax. The first steam ship for the line, the Titan, has already left Glasgow for Montreal, with a full cargo. Immediately after discharging of oil being found there, in quantity." she will open the line and will be followed by other vessels shortly afterwards. - Chronicle.

Chapped hands. A few drops of Johnson's Anodyne Liniment rubbed into the hands occasionally will keep them soft and free from soreness. Soldiers sailors and fishermen should remember this. It is the best Liniment in the world for any purpose.

The Labor Question has been causing some trouble in Halifax. Transient laborers in stores or on wharves demand \$1,50 a day. Work required after six o'clock to be 25 cents an hour. Sunday work 50 cents an hour.

The Chamber of Commerce at their meeting on Thursday passed the follow-

ing resolution: with regret that the laborers and steve wages at a time when all branches of trade and commerce are exceptionally | Rome. dull; and also resolved, that in the opinion of this Chamber any increase in wages such as is demanded will not in

The Nova Scotia Central Board of Agriculture has imported from England a quantity of beans. These horse beans are a very important crop in England, the "beans" being fed whole to horses (mixed with oats), or crushed for other stock, whilst the straw or vine forms excellent forage for cattle. The beans now imported were raised on the farm of Mr. Arthur H. Savory, Aldington Manor, Evesham, England, and are said to be a very superior kind.

A fatal accident occurred at Waverly on Wednesday afternoon. A laborer by the name of Thomas was digging out earth, and having undermined a large section he was not quick enough in getting from under it when it fell upon him. He was brought to the Halifax City Hospital, but died a few hours after reaching there. Deceased was in hospital only a couple of months ago from injuries received in the employ of the Acadia Powder Co., also at Waverly, and had but recently recovered.

Mr. S. M. Brookfield returned from St. John's, Nfld, on Friday. He has the new Atlantic Hotel in St. John's, to be completed next April.

Last summer over 50,000 people crossed the Atlantic to Europe. This year, however, it is not expected that more than 40,000 will go abroad because election.

The Dartmouth Civic elections resulted in returning for Warden John F. Stairs by 334 against 158 for Dr. Weeks :

and for Councillors: Ward 1-J. W. Allison. " 2-H. C. Walker. " 3-John White.

The Truro Town elections returned the following gentlemen, all by acclama-

Mayor-Mr. Cyrus Eaton. Councillors - Ward One, Richard Craig; Ward Two, Duncan McDonald;

Ward Three, D. J. Thomas. Prof. A. J. Eaton, a native of Annapolis, who graduated at Acadia and afterwards at Harvard, has recently been honored with the degree of Ph. D., (in of Leipzic. Mr. Eaton was for some time head master of Amherst academy and afterwards principal of the Woonsocket high school, Providence, R. I.

The churchmen of Yarmouth have unamimously elected Rev. W. H. Ramsey of Windsor, Ont., to succeed the late Rev. Dr. Moody.

A neighbour of ours lost a valuable mare recently, it is supposed from bots. If he had used 25 cents worth of Sheridan's Cavalry Condition Powders he would have been driving his pretty Chestnut to-day. Sorry for you, Doctor. These powders are immensely valuable.

I certify that I obtained immediate relief during a severe case of bronchitis. when in Camp Sussex this year, by the application of Minard's Liniment. C. CREW-READ, Lieut.-Col.

At Oxford, Mr. Jesse Purdy had the hadly cut by allowing it to come in contact with a circular saw in the Oxford Furniture Factory on Monday Morning.

Mr Jeremiah McDonald had the ill fortune to get a kick in the mouth from a horse. His upper lip was cut open and several teeth injured.

B. Young lost \$17,000 at his River Hebert mills by the recent disastrous freshet. Smith & Hatfield, Port Greville, lost \$4,000.

The matter of Licenses in the City of Halifax is still subject of uncertainty as to where the authority rests. It is said that Mr. Naylor, Chief License Inspector under the Dominion Act, will shortly bring to book those who are selling without license on the ground that the Act is perfectly valid and in force till it is declared by the Privy Council not to

Coal has been discovered near Oxford.

H. A. Longley, son of the late Avard Longley, Esq., is at present in the office of the minister of Railways Ottawa. Mr. Longley joins the survey on the Canada Pacific Railway in the capacity of an articled pupil to a deputy land surveyor, and will in the course of a few weeks be locating curves among the Rocky Mountains. - Acadia

A new oil field has been discovered at Scots Hill Pictou County N. S. From the Pictou News we learn that: "From the indications at the well, the geologic cal formation of the country and the dip of the rocks, Messrs Gragg and Van Slooten expressed themselves to our reporter as convinced of the likelihood

Mr. Charles Bill's blacksmith shop at Liverpool was burned on Friday last. The loss estimated at \$200.

Mr. J. C. Dumaresq, architect, has returned from St. John, N. B., and will open an office in this city.

Dominion of Canada.

The steamship Titania, from Glasgow arrived at Quebec, on Wednesday night She reported that the State of Florida collided with an unknown barque in midocean, and both sank. Out of 167 persons on board the Florida, 123 went down with her; and of the barque's crew of 15, only the captain and two men were saved. The survivors took to the boats " Resolved, That this Chamber learn | One, containing 24 persons, was picked up by the Titania. The remaining 2 dores have made a demand for increased | are supposed to have been rescued by another vessel, probably the City o

by the third officer is that the State of Florida left New York on 12th April the end act to the advantage of laborers | with about 167 passengers and crew and a full general cargo. All went well until the night of the 18th and at 11 30 p. m. of Chatham, N. B., Capt. Hayburn. Both ships went down almost instantly, crew only 44, including the stewardess, out of the barque's crew of 15 only the captain and two seamen were saved. Next morning the barque was observed bottom up. The survivors after being 35 HOURS IN BOATS WITHOUT FOOD OR WATER were rescued by the Norwegian barque Theresa, of Christiana, from that port bound for Quebec. On the 22nd, 24 of them were transferred on board the ship Louisa, of and from Cardiff for Quebec, where they remained until the 5th May, when they were taken on board the Titania for Quebec, It is believed 135 lives were lost. The same officer (Jas. Allan), on being interviewed added that the night on which the disaster occurred was clear, though moonless, and the sea as smooth as glass. He retired to his about 8 o'clock, leaving chief officer Thompson in charge of the deck. About 11.10 he heard the signal secured the contract for the building of suddenly given to stop steamer's engines, followed by a fearful crash. He rushed immediately on deck and the first thing he noticed was a red light pretty close on the starboard bow. At the same moment he heard the chief officer's voice and the cry "collision" and perceived the barque which had gave her a bottle, that he had on board of the near approach of the presidential run into them go down. Running to of Puttner's Syrup Hypophosphites, the side of his own vessel he endeavored to ascertain the damage done and perceiving an immease gaping hole into which the sea was fast pouring and feeling as he said himself, that the steamer was "a goner" he at once hurried to the captain, who immediately gave orders to get out the boats, four of which were down in fifteen minutes, when the State of Florida just keeled over to port and went down stern foremost. As far as he could calculate the disaster occurred in latitude 49.00 north, and longitude 36.12 west, or about 1200 miles off the Irish coast.

It is now definitely stated that Sir Charles Tupper, Minister of Railways and Canals, and High Commissioner at London, has resigned his seat in Parliament and in the Cabinet. In an interclassical literature), by the university | view with Sir John Macdonald he stated that the condition of his health was such that he could not do justice to both positions he had been holding. Sin John gave him his choice, and Tupper chose the High Commissionership. He will continue as Minister of Railways till 24th May, on which date he sails for | The symptoms are moisture, like pers. Liverpool.

A despatch states that Sir Charles left Scotia via Portland and St. John. He was escorted to the station by the band of the Governor General's Foot Guards, and followed by several hundred the city; Messrs. Allison, Woodworth, phia, Pa. Sold by Druggists. Mackintosh, Tasse, T. White, Bergeron,

Scott and Wood, M. P.'s, beside a host thumb and third finger of his right hand of the leading citizens and officials of the various departments.

> The last rail on the Ontario and Quebec Railway was laid last week. Ottawa is now connected with Toronto by two lines. Trains will at once commence running between there and Toronto by the new line.

About a hundred men on section work along the Canada Pacific Railway complain of insufficiency of wages, and have intimated their intention of leaving. now on the other end of the track waiting for employment. The General Superintendent thinks that Chinese would give every satisfaction.

Hugh Sutherland will sail for Europe Europe on the 31st, in connection with the Winnipeg and Hudson Bay Railway. He expects to make an arrangement for the commencement of work this sum.

Assisted Irish immigrants at Toronto have refused to go into the country to work and insist on remaining in the city. Three hundred and fifty more arrived at Quebec, on Friday but will not get passages west, or meals, owing to the action of those people.

Vernon Smith has been sent by the Government and instructed to proceed at once to the Maritime Provinces to secure the best possible short line from Montreal to the seaboard, and to report to the Government as early as conve-

It now turns out that the cartridges found beneath the Toronto parliament buildings contained dualin, and had they exploded would have occasioned very little damage.

P. E. Island.

One hundred horses were at Charlotteto the American market.

The island papers of last week reported ice lying for 21 miles of the land, varying in thickness from 10 to 20 feet. Captain Anderson of the schooner Lavinia sighted two schooners to the eastward of Pictou Island, but could not tell which they were. He also sighted, on Monday night about ten o'clock, a large steamer lying broad off Amet Island, supposed to be loaded. After drifting around the Straits, Capt. Anderson returned to Charlottetown on Tuesday morning.

Several steamers have been seen in the ice waiting to get up the Gulf. The ice in the Gulf extended to the Strait of The official report of the disaster given | Canso and was there packed.

The steamer M. A. Starr arrived a Charlottetown on Friday last after a having encountered several heavy fields of ice. The steamer Carrol was lying they collided with the barque Ponema, at the wharf in Port Hawksbury, and at Port Mulgrave there were over fifty sail of of vessels detained by ice. The and out of the steamer's passengers and steamer Coban was lying in Cariboo Cove along with eighty sail of vessels, mostly managed to escape in the boats; and fishing schooners bound to Magdalen Islands and other places for bait.

McGill College, Montreal, has been highly favored lately. The institution has been enriched financially by over \$100,000. Some time since, Mr. Donald A. Smith intimated that if other friends of the college would raise \$50,000 he would give a similar sum. Urged by this stimulus the friends subscribed \$51,000, and now Mr. Smith has imple mented his promise. There is much rejoicing among the many friends of McGill College over this fortunate event

CAPTAIN ROOD of the steamship, Edgar Stewart, has just brought to our notice a most remarkable case of a young lady who was a passenger with him some little time ago, who was on her way home "to die as she expressed herself," as she had been told by her physician that there was no hope of her recovery that she was in an advanced stage of consumption, and recommended her to

The captain seeing that she was very sick and having a very severe cough, which at once relieved her cough, and gave her much comfort. When she got found that it had done her so much over 16,000 persons were present. good, that a messenger was despatched to the captain to get the patient half a

dozen bottles. The patient has been taking it for some time and has improved in a most astonishing manner, so that she is now able to attend to her duties, and enjoys better health than she has for over two

This is not the first charitable act of Captain Rood, and who always looks after the interest of the passengers committed to his care, and says, I always recommended your Syrup, as I could do it with the utmost confidence from the personal experience I have had with it, and I consider my medicine chest not complete without Puttner's Syrup Hypophosphites.
