Deaths.

After a lingering illness which she bore with christian fortitude and resignation, Esther L. Floyd, beloved wife of Bro. David Floyd, and daughter of the Rev. M. Normandy, departed this life April 10th, aged 29 years. She was baptized by the late Rev. W. A. Corey, while engaged in teaching at Sussex, N. B., and manifested all through her christian life, a readiness to engage in work for the Master. Even when scarcely able to walk to the house of God, she was not deterred from attending the Sabbath School, she still endeavored to teach in the Sabbath School. Although knowing for a year or two that her recovery was impossible, and that the disease was making slow but sure progress, her aspect was cheerful and her faith firm. While on a visit at her father's house the messenger came and she died, surrounded by all that a loving mother and sisters could do for her comfort. As might have been expected her death was triumphant. It was indeed light at evening tide and she could rejoice in hope of the glory of God.—Com. Rev. J. I. DeWolfe. Beaver River, June 7th, 1884.

Mrs. Donald McDonald, whose maiden name was McLean, was born in the County of Perth, Scotland, in year 1797 and emigrated to P. E. Island, with her parents in the year 1803. In early life she was united in marriage to Donald McDonald. It was not until after her marriage that she was convinced of her lost condition as a sinner. While attending some gospel meetings, held in the year 1835, by some early Baptist ministers of this island, she was led to cry out from her heart, "What must I do to be saved?" and then relying by faith on the atoning blood of Christ she was enabled to rejoice in hope of the glory of God. Was baptized and united with the church in this place, of which she continued a highly esteemed and consistent member until the day of her death. She was remarkably regular in attending the means of grace, and might be found every Sabbath morning, when circumstances would permit with her family in the place where prayer was wont to be made. Her house was always the happy home of the ministers of Christ. The more service she could render them the happier she was, and her kindness was not fitful or ostentatious, but simple, and constant to her life's end. During the last four years of her life she was too feeble to attend the public means of grace, but I have held many pleasing and interesting conversations with her, when she has given the most satisfactory evidence of her life being hid with Christ in God. Old age and infirmities, without any particular disease brought her low, and on May 5th, 1884, her spirit quitted the tenement of clay and went home, in the 87th year of her age, and the forty-ninth of her christian career. That the surviving members of her family with the reader and writer may meet her in heaven is our prayer.—Com. BY REV. R. B. KINLEY, East Point, P. E. I., June 2nd, 1884.

At Indian Harbour, Halifax Co., on Monday, June 2nd, Willard Grafton, only child of Aaron and Lucinda Covey. Suddenly, at Indian Harbour, Halifax Co., on Tuesday, June 3rd, Nathaniel, infant son of Matthias and Alice Keddy. At Little Bass River, Colchester, June 11th, John McNeil, aged 40 years. At Minudie, on the 10th inst., Nicholas Seaman, aged 89 years. At Canaan, June 10th, Eliza, beloved wife of Jesse Lewis Bishop, aged 72 years. At Christmas Island, on the 28th May, Mary, beloved wife of Joseph McNeil, in the 21st year of her age. At North Sydney, on Friday, 6th inst., Mrs. John Burke, in the 62nd year of her age.

On Monday, 9th inst., Miss Ellen Estano, in the 61st year of her age. On Monday, 9th inst., Mary Isabella, eldest daughter of James and Rose Johnson, in the 28th year of her age. On May 10th, 1884, Anna C. Longley, of Paradise, aged 38 years, after two years of sickness, during which she enjoyed the presence and help of her Saviour. Possessing a naturally strong will power, she was firm in her belief and decided in her christian character; her positive influence for good was large. Independent in spirit and hopeful in disposition, it was not easy for her to yield to disease, and even during her sickness she would affirm that again she would be found in the prayer meeting, and with her class in the Sunday School. To her the church was a home and place for usefulness. She lived under the consciousness that she was surrounded by persons unprepared to die, and because of this her longings tell them of Jesus, her lips were ceaseless news of salvation. Oh! that God would make her christian counsel profitable to the young and answer her prayer for salvation to many. If the adversary suggested "It is hard of God to make you suffer so much," she would say, "Oh no! He comes as a friend, to chasten, to correct, not as an enemy to destroy. It would be easy for Him to remove the affliction, but He sees farther than I. It shall work for my good, shall I not trust Him?" She sought to show that the christian life was freedom, love, peace and joy, and that religion makes us happy in time as well as in eternity. The benign influence of her devoted life will long be felt. May God give "like precious faith" to surviving relatives and bless with spiritual power, the Word of Church, which mourns this and other recent removals of pious members.—Com. by Rev. J. T. Eaton.

At Brooklyn, Newport, June 7th, Dr. Levi Minard, in the 68th year of his age. Dr. Minard was born at Milton, Que. no County, where he spent the early part of his life. He has been for years a resident of Hants County. He has been known as a practicing physician and manufacturer of medicine. Minard's Liniment has rendered his name a household word throughout the land. He has in this way been the means of good to many. He was a good man, as very many do testify; not only to do good but to be good was the aim of his life. He has been for many years a faithful member of the Church of the Disciples, and he was greatly missed by that communion. His long sickness though very trying at times, was borne with a meek and quiet spirit. He leaves an aged widow at Brooklyn and a daughter and family at Milton, and many friends to mourn their loss. The writer was by his special request called upon to attend the funeral at the house, a short sermon was preached from Phil. i. 21, "To die is gain." May the Lord sustain the afflicted.—Com. by Rev. A. Freeman.

How GREAT THE CHANGE.—It is comparatively a short time since the introduction to the profession and the public of that valuable preparation known as BUDD'S CREAM EMULSION, and which to day, stands higher than any other known compound in British North America. It has been universally adopted by the profession who pronounce it excellent, and another, and the highest, recommendation it could obtain that it is the ONLY ONE USED IN THE HOSPITAL.
