NEW ADVERTISEMENTS

THE CENTURY, In 1885. A GREAT ENTERPRISE.

Papers on the Civil War. The important feature of THE CENTURY MAGAZINE for the coming year—indeed, perhaps the most important ever undertaken by the magazine—will be a series of separate papers on the great battles of the War for the Union, written by general officers high in command upon both the Federal and the Confederate sides.

The Battle of Bull Run. written by the Confederate general, G. T. Beauregard. Brief sketches, entitled "Recollections of a Private," papers chronicling special events, descriptions of various auxiliary branches of the service, etc., will supplement the more important series by the various generals.

A strict regard for accuracy will guide the preparation of the illustrations, for which THE CENTURY has at its disposal a very large quantity of photographs, drawings, portraits, maps, plans, etc., hitherto unused.

FICTION. In this line THE CENTURY will maintain its prestige, and furnish the best stories by American writers that can be procured.

A New Novel by W. D. Howells, Author of "Venetian Days," "A Modern Instance," etc. This story deals with the rise of an American businessman.

Miscellaneous Features. Under this heading may be included a series of papers on the Cities of Italy by W. D. Howells, the illustrations being reproductions of etchings and drawings by Joseph Pennell; a series on

The New North-West, being an interesting group of papers by E. V. Smalley, Lieut. Schwatka, Principal Grant (of Kingston, Ontario), and others, descriptive of little-known regions; papers on French and American art, sculpture and painting, with some exquisite illustrations; papers on

Astronomy, Architecture, and History, the first being by Professor Langley and others. Under Architecture are included more of Mrs. Van Rensselaer's articles on Churches, City and Country Houses, etc. Colonel George E. Waring, Jr., will describe

Progress in Sanitary Draining: E. C. Stedman, Edmund Gosse, and others will furnish literary essays; George W. Cable will contribute in various ways; several papers on sport and adventure will soon be published, and

John Burroughs will write from time to time on outdoor subjects.

Readers of THE CENTURY may feel sure of keeping abreast of the times on leading subjects that may properly come within the province of a monthly magazine.

A free specimen copy of THE CENTURY will be sent on request. Mention this paper.

HOW GREAT THE CHANGE. BUDD'S Cream Emulsion

It is comparatively a short time since has been placed in the hands of the Professor, and the PUBLIC, that they have realized by thorough experience and observation that in cases of PULMONARY CONSUMPTION, BRONCHITIS SCROFULA, SKIN ERUPTIONS, RHEUMATISM, LOSS OF FLESH, SPITTING OF BLOOD, WASTING DISEASES, INFLUENZA, EMACIATION, CHRONIC COUGH, DISEASES OF WOMEN AND CHILDREN, ANEMIA, ETC., ETC.

BUDD'S CREAM EMULSION has been recommended by the Hospital as being a very palatable and efficient preparation of cod liver oil. It is the only one prescribed here now.

FROM THE LATE HOSPITAL SURGEON J. A. SPONAGLE, M. D. C. M. From what I saw of your new Emulsion "Budd's," while residing in the P. and C. Hospital, I have no hesitation in recommending it as a most agreeable and trustworthy preparation of COD LIVER OIL.

For Debility from many causes, and more especially when the result of one of those trying and tedious "Colds," so common in Nova Scotia, it has proved itself of great and permanent value.

With our principal Office located in Washington, directly opposite the United States Patent Office, we are able to attend to all Patent Business with greater promptness and despatch and less cost, than other patent attorneys, who are at a distance from Washington, and who have, therefore, to employ "associate attorneys." We make preliminary examinations and furnish opinions as to patentability, free of charge, and all who are interested in new inventions and Patents are invited to send for a copy of our "Guide for obtaining Patents," which is sent free to any address, and contains complete instructions how to obtain Patents, and other valuable matter.
