AYER'S Hair Vigor

restores, with the gloss and freshness of youth, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened, thin hair thickened, and baldness often, though not always, cured.

It checks falling of the hair, and stimulates a weak and sickly growth to vigor. It prevents and cures scurf and dandruff, and heals nearly every disease peculiar to the scalp. As a Ladies' Hair Dressing, the VIGOR is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume.

MR. C. P. BRICHER writes from Kirby, O., July 3, 1882: "Last fall my hair commenced falling out, and in a short time I became nearly bald. I used part of a bottle of AYER'S HAIR VIGOR, which stopped the falling of the hair, and started a new growth. I have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely bald."

J. W. Bowen, proprietor of the McArthur (Ohio) Enquirer, says: "AYER'S HAIR VIGOR is a most excellent preparation for the hair. I speak of it from my own experience. Its use promotes the growth of new hair, and makes it glossy and soft. The VIGOR is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction.'

MR. ANGUS FAIRBAIRN, leader of the celebrated "Fairbairn Family" of Scottish Vocalists, writes from Boston, Mass., Feb. 6, 1 %: "Ever since my hair began to give silvery evidence of the change which fleeting time procureth, I have used AYER'S HAIR VIGOR, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, or aconsiderable consequence to ministers, ora-tors, actors, and in fact every one who lives in the eyes of the public."

MRS. O. A. PRESCOTT, writing from 18 Elm St., Charlestown, Mass., April 14, 1882, says: "Two years ago about two-thirds of my bair came off. It thinned very rapidly, and I was fast growing bald. On using AYER'S HAIR VIGOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the Visor, but now use it occasionally as

We have hundreds of similar testimonials to the efficacy of AYER'S HAIR VIGOR. It needs but a trial to convince the most skeptical of its value.

UNFERMENTED WINE.

Prepared for Sacramental and Dietetio

By F. WRIGHT, Maunfacturing Chemist Kensington High Street, London, W.

"This WINE is guaranteed to be the uice of the finest grapes of the Cote d'or, Andalusia, and the Medoc. It is perfectly free from Alcohol, and is guaranteed to be Pure Grape Juice. It has stood the test of 22 years' continuous sale in every climate, and is now used in upwards of 1500 Churches of all denominations. The mode of manufacture is a sight modification of a wellknown ancient practice, and effectually pre serves the grateful flavor and the rich nutri tious qualities unimpaired. It is therefore admirably adapted in cases of debility and fever, in which the stomach is too weak to digest other food. Children suffering from febrile ailments drink it with avidity, even when all other food has been refused.

JOHN M. HODGES, Esq., M. D., F. C.S., Public Analyst for Antrim County and Belfast

"I have chemically examined the bottle of Wright's Unfermented Wine (taken by my son from the stock held by Mr. Wright's Belfast Agent), and find that it is free from alcohol, and contains the constitutents of grape juice. When mixed with water it

will prove an agreeable beverage." FROM REV. JOHN BURWASH, Formerly Professor at Mount Allison, Wesleyan College, Sackville, N. B.

Sackville, May 23rd, 1882.

"I have just finished the analysis of the Wine sent. It is necessarily a slow process, some of the steeps taking two days. This Wine cont ins No ALCOHOL, nor any dele terious ingredient. * * * It can be relied on as wholesome, not having any intoxicating properties. * * *
