LITERARY NOTES

In the Review of Reviews for September, Mr. Edward J. Wheeler describes the National Prohibition party, and sketches the characters and careers of its candidates in the present Presidential campaign—Messrs Woolley and Metcalf.

Since adventuring into Egypt in quest of the raw material of which fiction is made, Mr. Gilbert Parker's Canadian fields have been lying fallow. He returns to them, however, with new vigor, and even fuller power.

Matthews Dunn's article on "Mimicry and Other Habits of Cuttles" in The Living Age for September 1 is a curious and original contribution to the popular study of natural history, in a new field.

The Dean of Lincoln gives some very attractive views of the late Mrs. Gladstone, as seen from near at hand, in an article which The Living Age for September 1 reprints from Good Words.

Mrs. Elizabeth B. Custer, widow of the famous Indian fighter, contributes to the September number of The Missionary Review of the World.

Nerve Food

If you have neuralgia, Scott's Emulsion of Cod Liver Oil will feed the nerve that is crying for food—it is hungry—and set your whole body going again, in a way to satisfy nerve and brain from your usual food.

That is cure. If you are nervous and irritable, you may only need more fat to cushion your nerves—you are probably thin—and Scott's Emulsion of Cod Liver Oil will give you the fat, to begin with.

Cure, so far as it goes. Full cure is getting the fat, you need from usual food, and Scott's Emulsion will help you to that.

If you have not tried it, send for free sample, its agreeable taste will surprise you.

SCOTT & BOWNE, Chemists, Toronto.

50c and \$1.00; all druggists.
