Makes the food more delicious and wholesome ROYAL BAKING POWDER CO., NEW YORK,

N. B. LEGISLATURE.

MONDAY. - Replying to Mr. Hazen, Tweedle said Judge Barker had een appointed arbitrator for the rovince in the matter of the Eastern Extension claims. The other members of the board are Mr. Coulston. Quebec. The claim is now over \$320,-000. The award is to be made before done. July 1st, and will be binding.

Replying to Mr. Hazen, Mr. Emmeraccepted in July.

dren a grammar school education were | that was all he wanted. obliged to send them to Fredericton. They were obliged to pay tuition fees. | already furnished would be supplied He would like to see the school law so by the government. amended that it would not be necestuition fee.

government and the board of education school act.

TUESDAY .- Answering Mr. Hazen, Mr. Duan said there was no formal bridge will be built soon, offer of the Fredericton Tourist Asso Boston, two members of the associa- instant, inclusive. tion, in a conversation, made an offer to take charge of the exhibit and take | tures were issued between the periods it to Boston, and they felt it would not | named. cost the province anything.

and the House adjourned.

WEDNESDAY. - Answering Mr. registrar of probates for the following city, town or village in the province, reasons. While nominally a resident where the people wish. of Kings county he had his office and place of business as an insurance agent in the city of St. John, and at the same time was holding three important county offices.

Mr. Emmerson introduced a bill vesting the property of the governors and trustees of the Madras schools in New Brunswick in the Diocesan synod of Fredericton.

THURSDAY .- After routine, Mr. Emmerson spoke of the news from Africa of the deaths of our New Brunswick boys and other Canadians on the field of battle. He felt it must be in he hearts of all and that he was voicng the sentiments of every member of he house in making recognition of the great blow which has fallen upon so nany homes throughout the province. Mr. Hazen concurred in the words ust uttered. The sympathy of the sacrificed their lives in the interest of | Co. the British empire. Their friends will the baptism of blood through which the | Co Canadian contingent has gone has done more in the interest of the unity of the empire and in the interest of civilization than could be expressed by any words toat could be uttered. Replying to Mr. Humphrey, Mr.

White said he was unable to state for what reason the superstructure o' the Kingston bridge had not been completed, further than that the shop of the constructor had been destroyed by fire, and he presumed it was largely owing to this. Toe performance of the contract is secured by a bond in the sum of \$58 980. Answering Mr. LaForest's inquiry

with reference to the overdrawal of the county of Madawaska on by road money. Mr. White said the overdrawal now amounted to the sum of \$16,828.75 The government has not remitted the am unt due. Answering Mr. Fleming's inquiry

with John S. Leighton, jr. The con- gents. tract price was \$2.50 per cubic yard. Answering Mr. Fleming's inquiry, Mr. Enmerson said the members for

the county of Carleton on the 25th of April, 1899. represented in writing that James Gibson was an offensive partizan during the late election, insulting Mr. Smith. one of the candidates at the election. Mr. Gibson was then dismissed from office.

MALL YET LARGE NERVOUS A dollar bottle of K D C is a small thing regards size, but when its contents are ken for any form of Indigestion, it is

you see its lar, eness.

IT'S THE MIGHTY CURER OF STOMACH ILL

The great men, the good men of America honestly recommend it, for they have tested its merits. If a dollar bottle of a D C were prepared in liquid form it would be sufficient to fill a quart bottle, so you see that while K D U is the best as regards merit, it is the cheaptst as regards quantity Write for a sample.

the past few years a great deal of money has been spent in advertising special brands of tea, each one of course claiming to be "the best." And perhaps each one is the best-for those who like it -but many brands are put up for distribution all over Canada; the same teagoing to those who in one district or province use Japan greens fishing 141,585 barrels of herrings have and in another China blacke, teas which differ as much in taste as tea differs from coffee. Hence is it any What a fortunate fishing it was is wonder that some special brand is often | shown in the fact that the export was condemned at the first trial, and not much wonder if all other brands are condemned without a trial, as all have been advertised as being "the best"but let the housekeeper select some she lives and she may discover that to her taste it is "the best tea" she has ever used.

This is the secret of the great popu-Tea. It has always been packed amounting to \$116,000. specially for Maritime Province trade.

At Lakeville Corner, S. Co. last Wednesday morning, Elward Lawrence, his wife and three children were burned to death in their home. A eister of Mrs. Lawrence and a Mr. Little escaped from the burning house. Only the eldest son of the family is left. He was at the barn caring for the stock. The children who were burned were two girls, aged 13 and 11, and a boy aged 16.

Rug, Mat and Carpet Makers.

Always Use the Diamond Dyes.

THEY GIVE THE RICHEST, MOST BRIL-LIANT AND MOST LASTING COLORS.

Nine y-five per cent. of the rags and home made mats, rugs and carpets are colored by the Diamond Dyes. Why? Because the D.amond Dyes

always give to cotton, wool and union materials the fullest, brightest, richest and most lasting colors; sun, soap or washing cannot fade Diamond Dye

Mrs. D. Davidson, Covey Hill, P. Q., writes thus:

"I have been using your Diamond Dyes for many years, and they have always given entire satisfaction. To day we emptied two packets of your Dyes and I am obliged to buy more, as we are making eixty yards of rag carpet. I have used your cotton colors and I think they are beautiful. The stripes in my carpet—black, green, red Robin Cropley, of St. John, has and yellow-are rich. I cannot suffi-

NOVA SCOTIA.

The following statement of the finances of the Province was laid before the House by Hon. Mr. Murray. The estimated revenue for the year

ast closed was \$880,106 67. The amount of revenue 'actually received was \$876,827.67. This was within about \$3,000 cf the estimate. The revenue for the year 1898 was \$855,960.70, the increase in the revenue of the past year being an increase over the previous year of about

Armour & Co., Chicago, is to be made a corporation with a capitalization of \$20,000,000.

A New York paper announces that other materials used in manufacture of one of the largest shipments of potatoes for export ever made went forward last week, the consignment consisting of 15 000 barrels, filling ninety cars, which had been sold to the British government for use in South Africa among the troops. The goods were bought for the most part in Maine, and consisted of this season's crop. The shipment is largely experimental.

The Boston city debt is \$80,000,000. Last year at Linton, Oregon, 9000

horses were made into canned meat which was jexported to France where horse flesh is used.

That Cough Hangs On

You have used all sorts of cough remedies but it does not yield; it is too deep seated. It may wear itself out in time, but it is more liable to produce la grippe, pneumonia or a serious throat affection. You need something that will give you strength and build up the body.

SCOTT'S **EMULSION**

will do this when everything else fails. There is no doubt about it. It nourishes, strengthens, builds up and makes the body strong and healthy, not only to throw off this hard cough, but to fortify the system against further attacks. If you are run down or emaciated you should certainly take this nourishing food medicine.
