

N. B. LEGISLATURE.

MONDAY .- Mr. Mott moved : ' R solved, that this house do concur it the report of the special committee to whom were referred the charges made by J. Douglas Hazen, a member for the country of Sunbury, against the Hon. H. R Emmerson, premier and attorney general, on the 12th day of March last past, and submitted on the 7th day of April instant."

Mr. Mott claimed that the investigation had been a full one, and that it had been shown that any comparison between railway and highway bridges would be unf ir, and he the differect tools in succession. strongly endorsed Mr. Emmerson's bridge policy.

Mr. Hazen moved in amendment that the charges to the effect that Hon. Henry R E omerson, as chief commissioner, gave the construction of many public works to friends of the government without public competition or tender, by means whereof the conpaid as out of the public moneys of the province, twice as much, and in some cases more than twice as much, as the then current market rates, for the con struction of said works and supplyingof material therefore, to the great detriment of the public interest, and that the said chief commissioner was guilty of gross neglect of duty in not informing himself as to ruling market prices, and in consequence of such neglect of duty, and improper action, the public interest has thereby greatly | Barnardo homes. suffered - have been fully sustained and proved by the evidence submitted. And the committee further reports that by reason of the lack of systematic administration in the public works de partment of this province, it has been in all cases difficult, and in some cases impossible to obtain from the depart- Jackonville, one of the most respec ed ment information called for by the enquiry upon said charges Mr. Hazin spoke at considerable length, claiming that the charges had been sustained, and condemning the government for doing all they could to prevent evidence being given

NEW BRUNSWICK.

News of the Week.

The Sloyd School was opened in this city oo the 9th iast in the Normal School building. There is accomoda tion for 26 pupil. The school will be k-pt open morning and afternoon, and two lessons will be given each day to male students of the city and Normal schools in turn. Each pupil will have on an average of one lesson a week and will be taught the use of

Capt. Jas. McD. Barker died in this city on Tuesday, at the age of 81. He was well known and had many friends.

A few days ago fire destroyed the residence of Mr. S. E. McDonald at Cherryfield, Queens county.

It is annonneed that about 21 000, 000 feet of lumber will come down the tractors for said public works were Tobique this season besides that waich is used by Hale's mill.

> A portrait of Chief Justice Tuck was unveiled Tuesday morning and on behalf of the Barristers Society presented to the Court in the presence of mem. bers of the government, judges and barristers, by Mr. Phinney, Q. C. vice-president of the society. He complimented the Chief Justice, and Judge Tuck made a happy reply.

400 immigrants passed through St many thousands of dollars have been John Wednesday for Manitoba and lost to the province by improper and the Northwest, including a number of excessive prices being paid for the Russian Finns. There were between construction of such public works, and fifty and a hundred boys from the
