Neither can you cure catarrh by local applications. It is a constitutional disease, and is cured by Hood's Sarsaparilla because it is a constitutional remedy. It expels from the blood the impurity which causes the disease, and rebuilds the inflamed membranes.

Eruptions — “I had annoying eruptions caused by impure blood, and physicians' treatment failed to benefit. I took Hood's Sarsaparilla and am cured.” W. R. Hudson, Natrona, Pa.

Hood's Pills cure liver ills; non-irritating and only cathartic to take with Hood's Sarsaparilla.

GOVERNMENT BAKING POWDER TEST.

The Royal Baking Powder is an old candidate for favor with the house-keepers of the Dominion. Its patrons will be pleased to know that the recent Government report giving the analyses of baking powders sold in the Dominion show the Royal to be the purest of cream of tartar powder, the most healthful in character, and of greatest leavening strength.

It is shown that the art in baking-powder making is to give a pure and healthful powder, of highest leavening power, which will keep indefinitely without losing its strength. These two qualifications—effective keeping and highest strength—it is impossible to combine in a powder except with the use of chemically pure ingredients. The report states that the only entirely cream of tartar powders which came up to this standard were the Royal and Cleveland's.
