She said: "A few years ago I suffered a severe attack of inflammation of the lungs, and was attended by one of the best physicians in the city. I pulled hrough but was left a complete wreck, s) that I could not do any work, sufa distressing cough and for months I never knew what it was to have a good night's rest. For two years my life was a perfect misery to me and under the doctor's orders I took emulsion till I was nauseated with the sight of it, but all to no purpose. My life was dispaired of by all my friends who were assured by the doctor that my case was beyond the reach of human skill. I was visited by the clergy of my church and Sisters of Charity, who were very kind and sympathetic and looked upon me as one whose early race was about run. I experimented with all sorts of remedies for my cough but without avail. My druggist at last advised me to try Dr. Williams' Pink Pills. Being fairly discouraged, to get better, and by the time I had taken seven or eight boxes I was as laughingly added: "I think you will admit that I don't look much like a sick woman."
