### War Notes.

Last week we mentioned the possirgest dhmands. It was Spur- | bility of the fall of Ladysmith. At who said he never had grace that writing the public mind in Britain and elsewhere was burdened with the gravity of the sit ation of the brave garrison which had held out so bravely to make a comparison of through many most trying weeks. Bevs. city ministers, but to fore that paragraph reached its readers word came that General White had given another proof of his good generalship and the troops under him had of the pasterate is against much shown again the stuff of which British for study. Reports from various soldiers are made. The general's report which was dated the 8th inst.,

> "An attack was commenced on my position but was chiefly against Caesar's camp and Waggon Hill. The enemy was in great strength and pushed the attack with the greatest courage and energy. Some of our entrenchments on Waggon Hill were three times taken by the enemy and re-taken by us.

"The attack continued until 7.30 p. m. One point in our position was occupied by the enemy the whole day,

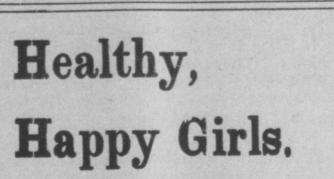

equal one hour per. day for an but at du k in a very heavy rain storm they were turned out of this position can be active, though one can- Col. Park.

rendered the Queen.

"The enemy were repulsed everywhere with very heavy loss exceeding that on my side, which will be reported as soon as the lists are completed." Later, the British losses were reported as about 117 killed and wounded,

and the Boer losses about 2000. The Queen telegraphed her thanks to General White at dhis brave soldiers Lord Roberts and Lord Kitchner arrived at Capetown on the 10th inst.

Friday a despatch from General Buller said: "I cocupied the south bank of the Tugela river at Potgieter's drift this Thursday morning and seized Pont. The river is in flood. The

RELIGIOUS INTELLIGENCER.

Healthy, happy girls often become languid and despondent, from no apparent cause, in the early days of their womanhood. They drag along, always tired, never hungry, breathless and with palpitating hearts after slight exercise, so that to merely walk up stairs is exhausting. Sometimes a short dry cough less. leads to the fear that they are going into consumption. Doctors tell them that they are anæmic-which means that they have too ing two brothers and cresister, tegether little blood. Are you like that?

More pale and anæmic people have been made bright, active and strong by Dr. Williams' Pink Pills than any other medicine.

at the point of the bayonet in a most has been restored to good health through the use of Dr. Williams' Pink Pills. ish taxpayer The time need not be lost, for the gallant manner by the Devons, led by She was very feeble, her blood was poor and watery, and she was troubled with headaches, poor appetite, dizziness, and always felt tired. After using tricts. 'The troops had a very trying time four boxes of Dr. Will ams' Pink Pills she is enjoying as good health as any and have behaved excellently. They wirl of her age, and we are glad to give the credit to your grand medicine. are elated at the service they have Mothers will make no mistake if they insist upon their young daughters taking Dr. Williams' Pink Pills."

> Do not take anything that does not bear the full name "Dr. Williams' Pink Pills for Pale People." It is an experiment and a hazardous one to use a substitute. Sold by all dealers or post paid at 50 cents a box or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville.
